# Yearbook contains two errors

Distribution of the 1981 Stone Fort started Monday morning in the Austin Plaza, and according to Orange junior Belinda Burney, the book's assistant editor, two majors errors are in the annual.

One error occurred on pages 73 and 74 in the Academics section. Dr. J. E. Erickson, chairman of the political science department, is pictured in place of Dr. Charles Mims on the biology department page. Dr. Mims, who is chairman of the biology department, is identified as Dr. Charles Cates on page 74.

The other set of errors occurred when the yearbook printer, Hunter Publishing Co., Winston-Salem, N.C., put the wrong names with the correct photos that appear on pages that would have been numbered 450, 451, 454, 455, 458, 459, 462 and 463.

"The Hunter representative explained the error this way. Someone in the company's plate department started to make a plate for the 8-page flat (pages 450, 451, 454, 455, 458, 459, 462 and 463) and they imprinted some sophomore names and page numbers in the senior section of the yearbook," Burney said. "Sue Perkins, director of student publications, the 1981 staff and Hunter Publishing Co. apologize for any inconveniences or problems these misnamed photos may have caused," Burney said.

The correct names for the photos that appear on the page that should be numbered "450" are Jentz, Gary, Austin; Jernigan, Janet, Lake Jackson; Jernigan, Jennifer, Corrigan; Jirik, Sue, Fort Worth; Jobe, K. C., Richardson; Johns, James, Fort Worth; Johnson, Angela, Mount Pleasant; Johnson, Edward, Dallas; Johnson, Jenetha, Hallsville; Johnson, Joni, Henderson; Johnson, Kathryn, Houston; and Johnson, Leslie, Dallas.

Also Jolly, Cindy, Plano; Jones, Carl, Jacksonville; Jones, Eddie, Dallas; Jones, Jana, La Feria; Jones Rebecca, Bryan; Jones, Steve, Richardson; Jordan, Walt, Fort Worth; Jouette, Kimberly, Midland; Judson, David, Nacogdoches; Judy, Matt, Dallas; Kaestner, Anne, Houston; and Kamp, Rhonda, Lufkin.

Names that should have appeared on page 451 are Kanes, Thomas, Dallas; Keathley, Stephen, Houston; Keeble, Robert, Tyler; Keene, Katherine, Friendswood; Keister, Kathy, Marshall; Keith, Rodney, Jefferson; Kelley, Donna, Plano; Kennedy, Boyd, Lufkin; Kennemer, Thomas, Arlington; Kessler, Timothy, Mesquite; Kilpatrick, Peter, Kaufman; and King, David, Dallas.

Names that should have appeared on page 454 are Jimenez, Kim, Nacogdoches; Mackey, Amy, Tyler; Madden, Patrick, Houston; Maquire, John, Pasadena; Mahlstedt, Robert, Ovilla; Mallard, Boni, Liberty; Malone, Sherri, League City; Manning, Mike, Houston; Manuel, Sheila, Houston; Maricle, Alan, Garland; Markham, Rose, Longivew; and Marlar, Terri, Dallas.

Also Marotta, Louis, Dallas; Marshall, Nancy, Dallas; Marshall, Pamela, Desoto; Martin, Allyson, Plano; Martin, Lee, Dallas; Martin, Phillip, Dallas; Martinez, Ida, Salisbury, Md.; Massoletti, Les, Freeport; Masterson, Kelly, Houston; Mathews, Joe, Jasper; Mathieu, Judith, Houston; and Mauer, Terri, Orange.

# Nacogdoches — A great past; SFA — A greater future

Founded in 1528, the City of Nacogdoches takes a lot of pride in being called "the oldest town in Texas." Located in central Deep East Texas and populated by almost 30,000 residents, Nacogdoches is the site of many historical shrines, including the Old Stone Fort, the Old North Church, Nacogdoches University, Millard's Crossing and the Oak Grove Cemetery. These landmarks and the history that surrounds them are a major portion of the charm and simple lifestyle that abounds in Nacogdoches.

The founding of Stephen F. Austin State University on September 18, 1923 marks the beginning of modern Nacogdoches. Because of its dedication to academics and the high ideals of mankind, Stephen F. Austin State University has become a symbol of the future. The university offers all the academic acoutrements of a larger university, but has the personal touch of a smaller place of learning. SFA's growth is a sign of its future. More and more students are looking for the unique qualities SFA has to offer. Ranked high academically, SFA produces graduates who continue to be leaders in their professions. The university is making way for the future by preparing its students for the problems and challenges of tomorrow.

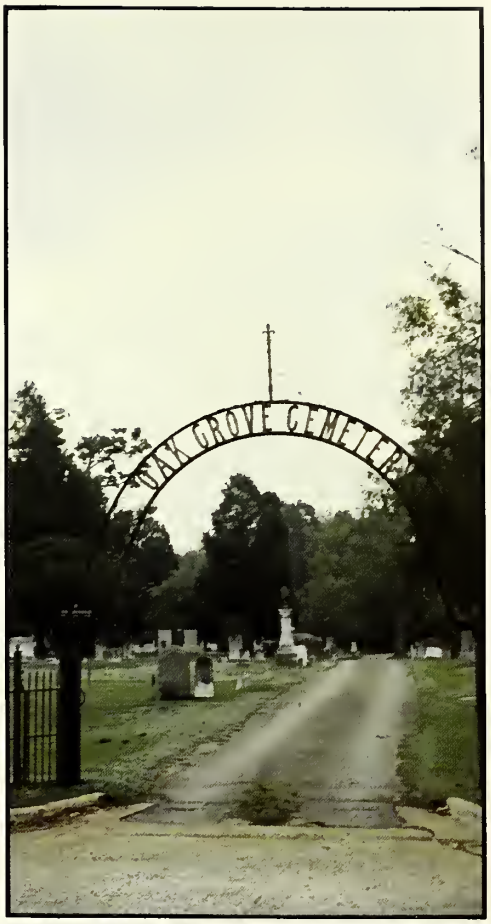
The history which surrounds Texas' oldest town and the qualities of the university complement each other. Together they depict a great past and a greater future.

# Oak Grove Cemetery

This historical Nacogdoches site is located on land that was granted to Hayden Edwards, an emprasario, by the Spanish government. The original part of the cemetery lies directly north and south of the main gate. The old Catholic Cemetery, which consists of the extreme northern portion of the original cemetery, was purchased by Bishop Odin for the sum of $25 from Hayden Edward's heirs.

Buried in the cemetery are four signers of the Texas Declaration of Independence: Thomas J. Rusk, Charles Stanfield Taylor, John S. Roberts and William S. Clark. Also here are the graves of men and women who helped form the destiny of Texas and of Nacogdoches.

Oak Grove Cemetery stands as a reminder of Nacogdoches history and of the men who worked to make it prosper. It remains as a symbol of Nacogdoches' great past.



# Nacogdoches High School

Nacogdoches High School's new location is a sign of the rapid growth of the city. The growth of Nacogdoches shows a gradual shift of East Texas to an urban society. Even though the city is old in tradition, it reflects modern changes such as the building of the new high school and the SFA campus.

This new school represents the future lifeline of Nacogdoches. The students that pass through its halls today are the future leaders of Nacogdoches.

Just as Oak Grove Cemetery is a reminder of past leaders who shaped the city, Nacogdoches High School serves as a beginning for the leaders who will shape its future.

# Old North Church

The Old North Church was first known as the Union Church because several denominations gathered at its site to worship as early as 1836. The church, a small frame building, was originally built in 1838 on 10 acres of land donated by Dr. John M. Sparks. Its present structure was built in 1852.

In front of the church stands a huge old oak tree. Under the old oak stands a marker which reads: "Under This Tree", the first Baptist prayer meeting was organized in 1835 by Aunt Massy Sparks Millard. Isaac Reed in 1835 preached the first Baptist sermon. Isaac Reed and Elder R.G. Green organized the first Baptist Church in the State of Texas the first Sunday in May, 1838. The church is known today as'Old North Church.' The first Protestant School in Texas was taught in a one room log house in the shadows of the old oak tree. Remember, 'God alone can make a tree.'"

In the church's graveyard are many of the leading settlers of Nacogdoches County.

A place as quiet and serene as Old North Church holds the key to understanding a part of Nacogdoches' history and lifestyle.

# Griffith Fine Arts Building

Art and theater classes are held all over campus but the L.E. Griffith Jr. Fine Arts Building is home for these areas. This building contains the talented world of the theater and the creative works of art students.

The Fine Arts Building has two theaters in which activities are held. The Little Theater is the sight for smaller activities such as movies. The William M. Turner Fine Arts Auditorium is where larger productions such as musicals are held. Some of the productions performed in 1980 include "Guys and Dolls" and "Ondine."

The Fine Arts Building is also home for art students. Here they create pictures and sculptures with the use of paints, clay and imagination. These works of art are often displayed in the building.

The Fine Arts Building offers an escape from the reality of classes into the magical world of theater and art. It provides students with a place for entertainment, enjoyment and relaxation.

# Millard's Crossing

Millard's Crossing is a collection of eight of the oldest homes in Nacogdoches, reconditioned and furnished with antiques.

The Millard-Lee House was built about 1837 by Nacogdoches merchant-deputy postmaster-road overseer Robert F. Millard as a family home that was sometimes used as a boardinghouse. In 1859, David Lee, a blacksmith-merchant-county official, bought the house which was then located near the public square in Nacogdoches. It remained there until 1960 as the Lee family home. In 1970, Mrs. Albert (Lera Millard) Thomas bought, moved and restored the house at Millard Crossing. It was named for the builder's families.

Other historical points of interest include an old buggy that dates back 100 years; an old log fence reflects 19th century East Texas and an old bell which stands next to the Millard-Lee House.

# A campus for all seasons

The SFA campus has been called one of the most beautiful college campuses in the United States. With each season comes a new display of nature's color. Fall brings rich autumn colors to campus as huge old trees all over campus lose their brightly colored leaves along sidewalks and paths.

Spring brings the campus to full color with dogwood and azalea blossoms. These fragrant blossoms give SFA its most picturesque setting. During every season the pine trees stand tall and green, giving the campus an unusual beauty all year long.

This beauty has drawn students as well as visitors to the "university among the pines."

# Nacogdoches University

The Nacogdoches University was chartered by the Republic of Texas on February 3, 1845 as a co-educational institution to fulfill settlers ideals for higher education. The university was financed by public subscriptions and was probably the first nonsectarian institution in Texas. It opened in September, 1845. Marcus A. Montrose, an outstanding early Texas educator, was its first president.

During the Civil War, it served as a hospital for Confederate soldiers and later was used by Federal regiments as their headquarters.

The university was once used as a Catholic School and also by the Milam Lodge. In 1904, it was deeded to Nacogdoches High School and was used until the 1930's when it was condemned. It was restored as a museum in the 1960's and is still located on the old Nacogdoches High School campus.

# Austin Building

Stephen F. Austin State University is part of the new Nacogdoches. It was established in 1921 by the Thirty-sixth Texas Legislature. The school officially opened on September 18, 1923.

The main campus includes about 400 acres, which is part of the original homestead of Thomas J. Rusk. The University has 23 major instructional buildings and 19 dormitories.

SFA's enrollment, which began with 158 students, has grown to average 10,000 during regular semesters and 3,500 during the two summer terms.

For its first 15 years, the university offered only Bachelor of Arts and Bachelor of Science degrees. It now grants 13 baccalaurate degrees and emphasizes graduate study.

The Austin Building houses the Administrative Offices which includes not only the people but the departments that make the school function.

SFA offers a future to its students. The traditions and history of Nacogdoches create a setting where past and present meet and the future begins.

# Hoya Memorial Library and Museum

The house which serves as the Hoya Library and Museum is also known as the "Adolphus Sterne home." The history of this house is the history of East Texas from colonization until after the Texas Revolution.

Adolphus Sterne, a pioneer citizen of Nacogdoches, was born in Cologne, Germany April 5, 1801. He came to Nacogdoches in 1824 and opened a general merchandise store. Both he and the store quickly prospered and in 1828 he built the house for his bride, Eva Catherine Rosine Ruff. The front rooms of the house, the room behind the Sam Houston room, the back porch, the mantels and floors are all original, just as he built them. The small house in the back yard is also original even though its exact purpose is not known.

Everyone was welcome at the Sterne home. From the time it was built in 1828 until the Texas Revolution began in 1835, the Sterne house was a favorite gathering place for both Mexicans and colonists. General Sam Houston was baptized into the Roman Catholic church in the Sam Houston room with Mrs. Sterne standing as his godmother.

Adolphus Sterne died in New Orleans March 27, 1852. His body was brought to Nacogdoches and buried in Oak Grove Cemetery.

Joseph T. von der Hoya and his three brothers came from Prussia to Nacogdoches in 1836, where they built their first home on a 200 acre land grant just south of town.

In 1869, Mrs. Sterne, who then lived in Houston, sold the Sterne home to Joseph von der Hoya for 550 gold dollars. He and his family lived in the house until his death in 1896. After that time, his family went by the family name of Hoya.

The land and buildings of Hoya Memorial Library and Museum were given to the city of Nacogdoches on August 26, 1958 by Mrs. Jennie Hoya Mast and Mrs. Clara Hoya Gray as a memorial to their father Charles Hoya and their grandfather, Joseph von der Hoya.

# Ralph W. Steen Library

The Ralph W. Steen Library, completed in 1973, was named for the late Dr. Ralph W. Steen, who served as SFA president from 1958 to 1976.

The central collection is organized in an open stack, subject divisional arrangement with divisions for Reader's Services, Humanities, Sciences and Social Sciences. The university library also houses several special collections which emphasizes materials that relate to the life, culture, industry and history of East Texas. Also included in this area is a Forest History collection.

The audiovisual department contains recorded music, films, filmstrips, audio recordings and other non-print materials. Another part of the library is the curriculum collection which serves as a laboratory facility for students in teacher education programs and consists of state adopted textbooks and curriculum bulletins. The Government Documents Department contains selected U.S. Government publications as well as many state documents.

The Steen Library stands on the SFA campus as a symbol of the future, serving the students as a means of educating themselves for a better tomorrow. In contrast, the Hoya Library represents the past, housing records and historical items which gives us a glimpse of yesterday.

# The Eugene H. Blount Home

The Blount Home, located across from the SFA campus entrance, is a beautiful old home set back among huge old trees, away from the noise of North Street.

The land on which the house is located is originally part of the homestead of Thomas J. Rusk. In 1923, the Honorable Eugene H. Blount purchased the land and built the home. Blount's grandfather was a signer of Texas' Declaration of Independence and Blount was a member of the 37th and 39th Texas Legislature.

The Blount Home is considered an architectural masterpiece. It was designed by Dietrich Rulff who was the first professionally trained architect from Nacogdoches.

The Nacogdoches County Historical Trust purchased the land and home in the fall of 1980 to be leased to the Nacogdoches Chamber of Commerce. The Blount Home was chosen by the Chamber of Commerce because of its historical background and its convenience to the students and visitors of SFA.

# SFA Science Building

The Science Building is the home of many academic departments at SFA. Inside you will find students studying physics, biology, geology and zoology. These are only a few of the courses taught in the Science Building. This building includes lab rooms for applying and testing the theories and formulas learned in class.

The future is easily associated with the Science Building. New discoveries in all areas of the scientific field occur every day which affect our lives, not only now but in the future. This building can also be linked with the past. The knowledge we have gained through events which have occurred, through experimentation can help us make tomorrow better. The students whose major course of study takes place in this building are trained to use these past discoveries and information to open new doors for the future.

# Where past and present meet

The past is well represented in Nacogdoches. Its constant reminders throughout the town include the Roland Jones Home, the Hoya Memorial Library and Museum, Millard's Crossing and the document titled "Twenty-three Reasons why Stephen F. Austin State Normal ought to be located at Nacogdoches." This document, located in the Stone Fort Museum is the tie that binds the past and present together.

The university is the key to the future. Its existence and expansion represent the growth and change of Nacogdoches. The McGee Business Building and the Education Building are two examples of the change. SFA is on top of modern times, producing qualified business majors and teachers who continue to unlock doors for a better tomorrow.

Nacogdoches past and the presence of the university present a combination of forces which unite to unfold a promising future.

# someone to turn to

Daily encounters between people gradually build into relationships. Brought together through mutual interests, common adversaries, individual advances and shortcomings, people are prompted to congregate as allies. The axiom regarding judgment of an individual by his friends deserves consideration as one is assumed to share the characteristics of those who surround him.

(1) Sometimes a gentle, obedient friend incapable of speech is the best conversationalist. (2) Incoming freshmen men get to know the young lady of their choice at summer orientation dances.

# escape to a place beyond campus

(1)

At various intervals in one's busy week, the need to get away from it all is felt. All have experienced the anxiety and tension inherent in a college student's lifestyle. Many seek to periodically set aside tests, cafeteria food and roommates in exchange for the broad expanse of Lake Nacogdoches, Pecan Park or the open highway. In essence, one attempts to escape mentally as well as physically.

(1) To live like a child lives, to play as he plays, if only we could recapture the energy of a child. (2) Off to race the wind, a lone cyclist transports his bike to a less active area of campus.

# from bustling city to the first town

Though it is not agreed upon whether environment or heredity exerts the greater influence upon one's personality, it is certain that both contribute to one's molding. The relaxed atmosphere of SFASU is surely inherent as a result of this serene setting. Students drawn from metropolitan areas are able to retreat from the hectic downtown traffic and the impersonality of a bustling city to the charm of old Nacogdoches.

(1) The rough and tough type of guy is always sought after by the admiring young lady, especially on moving day. (2) Midnight frolics enliven the normally dormant campus grounds on weeknights.

(2)

# believe what you will, but believe

The college campus has long been the environment for one to develop and seek to share strong convictions. Though transgressing from the radical flower child of the 1960's to the more conservative youth of the 1970's, the underlying desire to prompt change prevails. Open-minded students are able to evaluate the merits and shortcomings of a myriad of views to form a firm belief to carry beyond the college campus.

The Sylvans Forestry Club and UC Programs again pitted spirited young lumberjacks against one another. The area between the UC and the Fine Arts Building was literally buzzing with eager participants engaged in Jack and Jill cross-cut sawing, log carrying and greased pole climbing. The traditional ax-throwing event renewed one's thoughts of the brawny lumberjack whom we proudly sport as our team mascot.

(1) Even one's mouth must be positioned just right to master the sawing of a massive log. (2) "The weaker sex" try their hand at cross-cut sawing egged on by doubting male bystanders. (3) One is curious as to the intelligence levels of those who stand behind an amateur ax-thrower.

Expressions of Homecoming spirit were evident among the decorated float riders, colorful clowns and favored individuals who paraded through the streets of downtown Nacogdoches before the game. "Best Bet," the top winning casino scene complete with roulette wheel, was jointly constructed by the Alpha Tau Omega fraternity and the Delta Zeta sorority. The parade was the first of Homecoming day activities before the Jacks gave ACU the ax!

# decision 1980 — the vote that counts

One may be able to shrug off voting for the Homecoming court as one's life will not be altered regardless of the outcome. However, one finds himself assuming the label of Republican, Democrat or Independent every four years. Students registered their overwhelming support for Republican candidate Ronald Reagan in an informal poll sponsored jointly by the College Republicans and Young Democrats. On November 4, Reagan reached his presidential aspirations after rallying enthusiastic Republicans and pulling disgruntled Democrats away from Jimmy Carter.

(1) In a final attempt to secure the East Texas vote for Reagan, Gov. Bill Clements stopped at the Patton Auction Barn on October 31. (2) Young Democrats sponsored a contest to predict the percentages of support for Reagan, Carter and Anderson.

Clayton, Dean of Sciences and Mathematics; (not pictured): Dr. Langston Kerr, Dean of Education; Dr. Kent T. Adair, Dean of Forestry.

# Criminal Justice

The department of criminal justice is located in the School of Applied Arts and Sciences under Dr. J.P. Harlan. A bachelor of arts degree with a criminal justice major is offered through the department. Courses such as law enforcement, private security, and criminalistics are offered. The main curriculum in the department concerns corrections and law enforcement.

The criminal justice professional fraternity is Lambda Alpha Epsilon.

The accounting department can be found in the School of Business under the supervision of Dr. Sammie Smith, department chairman. The objectives of the accounting curriculum include training of professional accountants, and to provide courses in double entry bookkeeping, financial statement analysis and use of financial data. The department offers the bachelor of business administration degree. Students can join the accounting club and the professional fraternity Beta Alpha Psi.

TOP LEFT: Mr. Mixon in accounting class. TOP RIGHT: Student listens attentively in finance class. BOTTOM: Dr. Sammie Smith, department chairman.

# Administrative Services

The administrative services department is in the School of Business under the guidance of Dr. Ralph White. General business and office administration majors can obtain a bachelor of business administration degree by completing such courses as: typewriting, business communications, records management and government regulation of business. These courses fall under the five fields on administrative services: business communication, business education, business law, general business and office administration.

The professional fraternity is the National Collegiate Association for Secretaries.

TOP: Dr. Ralph L. White, department chairman.
BOTTOM: Student studies administrative services.

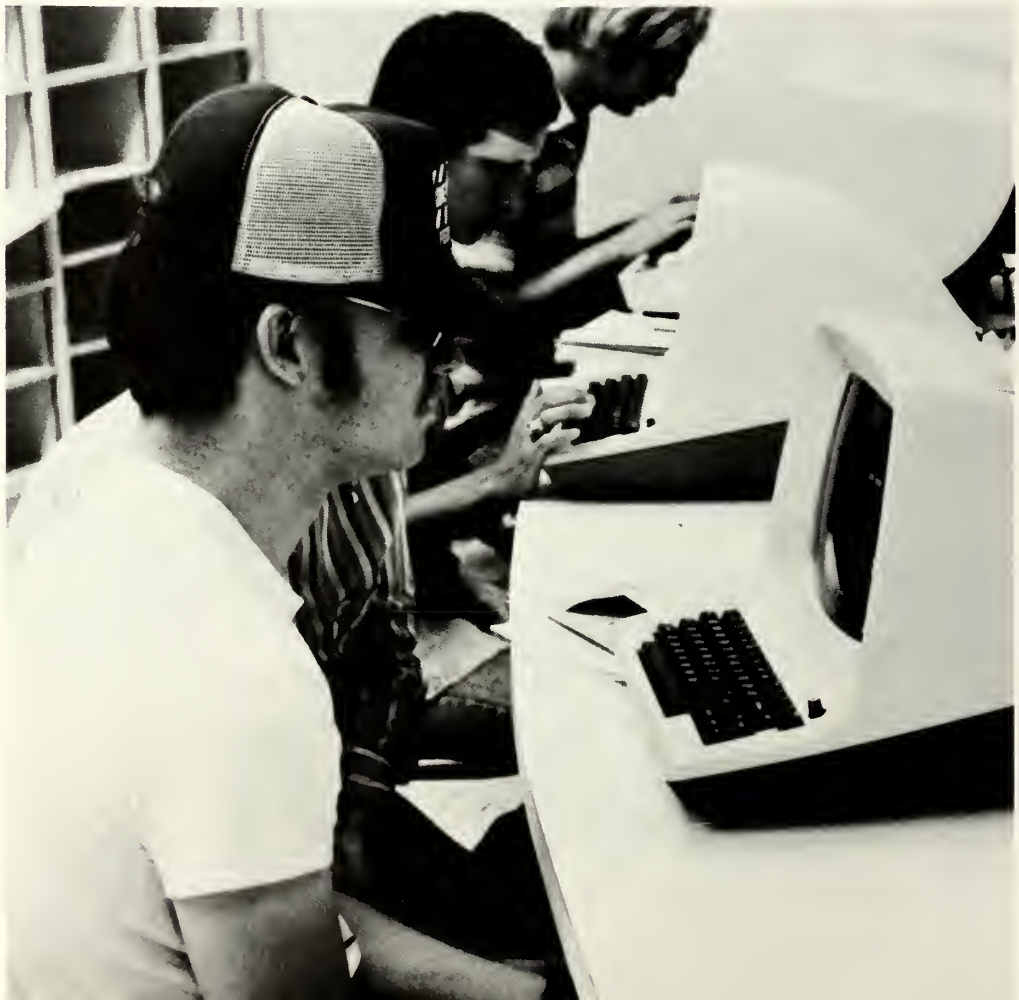
# Computer Science

The computer science curriculum is designed to allow future computer specialists to obtain a broad knowledge in the new science.

The computer science department also sponsors the Computer Science Club which is open to all students. The National Computer Science Honor Society, Upsilon Pi Epsilon, is for selected juniors, seniors and graduate students who maintain specified scholastic standards.

The department, headed by Dr. Craig A. Wood, uses the computing facilities of the University Computer Center and the Computer Science Laboratory.

TOP: Dr. Craig A. Wood, chairman of the department. BOTTOM: Computer science students work at terminal.



# Economics and Finance

The SFA economics and finance department, headed by Dr. Charles W. Brown, plays a valuable role in preparing future business leaders for challenges they might face in the business world. These undergraduate courses teach students the economic principles and how money is managed in businesses today.

A student with a background in economics or finance is prepared for many interesting and rewarding careers in such fields as banking, insurance, real estate, investments, financial management and research and analysis.

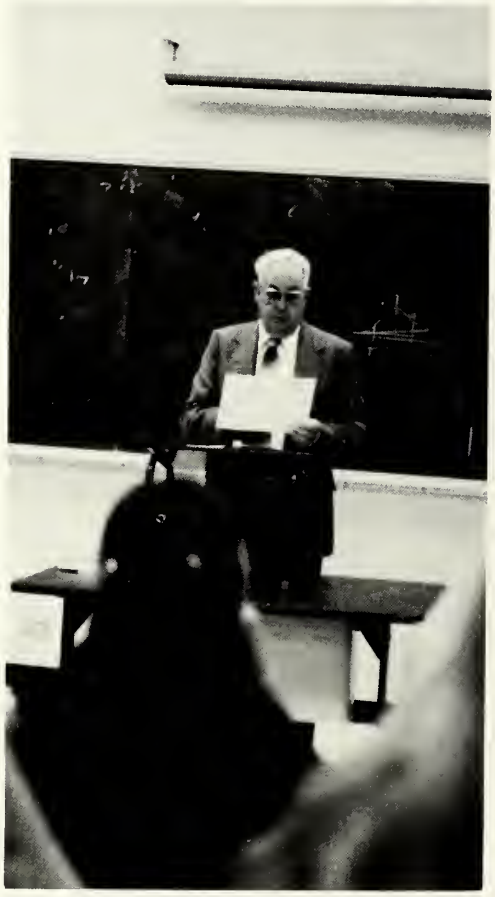
TOP RIGHT: Dr. Charles W. Brown, department of economics and finance. TOP RIGHT: Dr. Stuart lectures in economics class. BOTTOM: Students in finance class.

# Management and Marketing

Located in the School of Business chaired by Dr. Mildred Golden Pryor, the management and marketing department offers two curriculums. Management offers two fields: 1) personnel/industrial relations, and 2) production/operational management. Marketing courses prepare students for careers in such fields as retailing, manufacturing, distribution, market research, advertising and personal selling.

The professional fraternity, Beta Gamma Sigma, and clubs, A.S.P.A., Marketing Club, and M.B.A. are associated also with the department.

TOP: Dr. Mildred Pryor, department chairman. BOTTOM: Mr. Norman Cox lectures in a consumer behavior class.



# Agriculture

The department of agriculture, headed by Dr. Thomas J. Stanly, offers courses for those students interested in agriculture production and management. Specialization in areas such as animal science, plant or soil science, agriculture machinery, agribusiness, horticulture or pre-veterinary-animal science are offered. Courses in agriculture include agricultural economics, farm electrification, soil science, swine production and orchard management.

Student organizations associated with Agriculture are the Horticulture Club, Floraculture Club, Agronomy Club and Delta Tau Alpha.

TOP: Dr. Thomas J. Stanly, chairman of the department. BOTTOM LEFT: Student mixes soil samples. BOTTOM RIGHT: Students test soil.

# Elementary Education

The department of elementary education seeks to provide students with an understanding of the historical, philosophical and psychological foundations of education. The department also wants to help students acquire the knowledge and skills necessary for successful teaching in kindergarten and elementary school classrooms. The department chairman and professor is Dr. Thomas D. Franks.

TYC, an acronym for Teaching Young Children, is a new program developed to train students to teach kindergarten through the third grade. Students work in a competency-based program and with children in the Early Childhood lab. The TYC program is headed by Dr. Janice Pattillo.

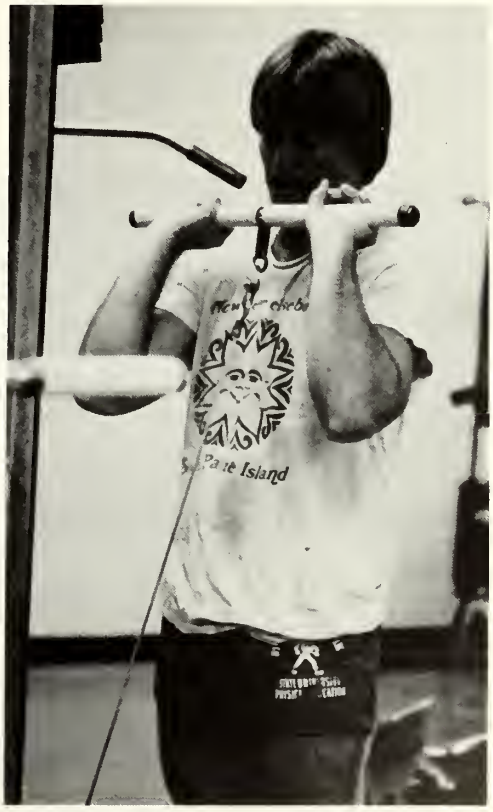
# HPE-Men

The department of health and physical education is headed by Dr. Carl Ray Kight, professor-coordinator of the department and chairman of the men's division.

Activity and theory courses are offered in virtually every sport as well as in the intercollegiate athletic program.

The honorary clubs and organizations are the Pi Epsilon Mu, the major club for men, the Health Education Club and Delta Psi Kappa.

TOP: Dr. Carl Ray Kight, chairman, Men's health and physical education. BOTTOM LEFT: Pole-vaulting, a division of track. BOTTOM RIGHT: Student lifts weights in class.



# HPE-Women

The women's health and physical education department, under the guidance of Dr. June Irwin, presents a well rounded program of courses for the women in today's society. A bachelor of science in education degree, driver's education and athletic trainer endorsements and a water safety certificate are offered. Goals of the department include the students awareness of importance of physical activities, preventive medicine, nutrition and exercise.

The women's HPE honorary fraternity is Delta Psi Kappa. Intra-mural and intercollegiate sports are major extra-curricular activities.

TOP: Dr. June Irwin, HPE-women's department chairman. BOTTOM LEFT: Ladyjack softball team member makes an out. BOTTOM RIGHT: Women test volleyball skills in class.

# Home Economics

The home economics department, located in the School of Education, offers a masters and a bachelor of science in home economics degree. Four major areas of emphasis are in education, food and nutrition, fashion merchandise and family development. The department, working under Dr. Gloria Durr, offers such courses as interior design, meal management, design in clothing and experimental cookery.

A new building is being constructed which will utilize the open classroom concept. Completion date will be fall, 1981.

The honorary society in home economics is Phi Upsilon Omicron. The Home Economic Clubs, which are associated with the American Home Economic Clubs, are available also.

TOP: Home economics students cook food in class.

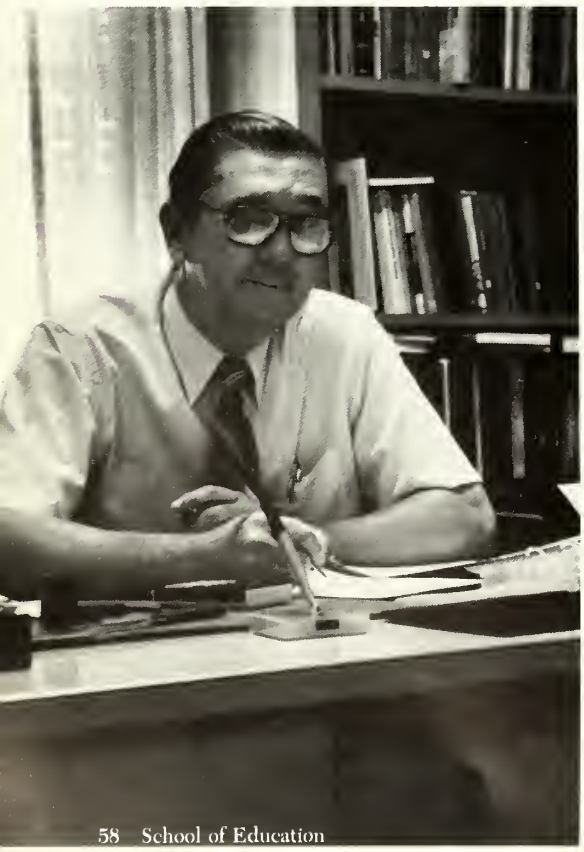
# Counseling and Special Education

The counseling and special education department is fairly new at Stephen F. Austin.

The courses in special education and counseling are all on an undergraduate level. These courses are organized around working with the handicapped and mentally retarded. The courses in counseling teach students how to work with and help all people handicapped or not.

The chairman of the department, and professor of special education programs, is Dr. Bill W. Hamrick.

TOP: Student volunteers teach handicapped children to swim. BOTTOM RIGHT: Dr. Hartman, professor of speech pathology and audiology, gives hearing tests. BOTTOM LEFT: Dr. Bill Hamrick, chairman of the department of counseling and special education.



# Secondary Education

The program of professional secondary education at the undergraduate level is based on a critical selection of things a teacher should know and be able to teach in the secondary school. Through its courses, the department seeks to provide basic concepts in the history and philosophy of education, in the teaching-learning process, in the nature of the adolescent learner, in the planning and organizing for teaching, and laboratory experiences in teaching middle school and high school students.

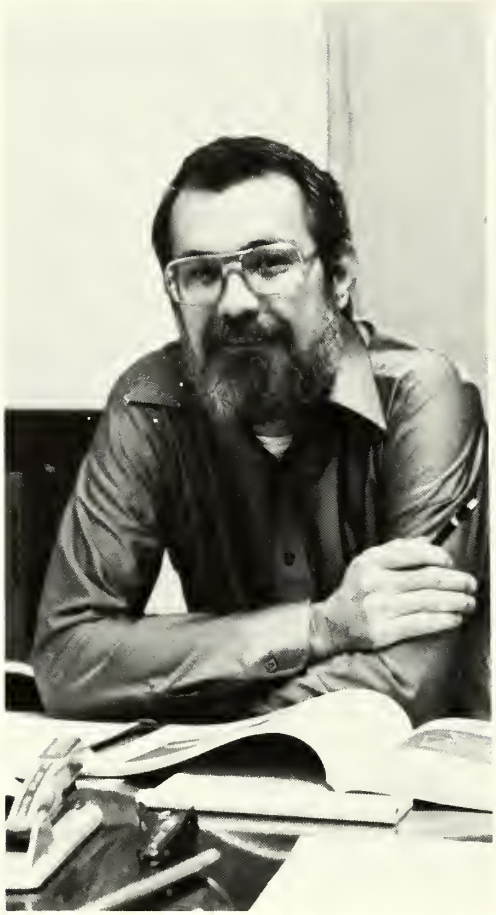
The professor and chairman of the department is Dr. Morgan Moses.

TOP: Dr. Morgan C. Moses, department chairman.
BOTTOM: Dr. Bennat Mullen relaxes in his office.

# Art

The department of art, headed by Chairman Jon D. Wink, is within the School of Fine Arts. A bachelor of arts degree is offered and can be obtained with a major emphasis in commercial or fine arts. Students may obtain all-level or secondary teaching certificates. Minors are offered in interior design, advertising, marketing, photography, landscape design, history and art therapy. A variety of classes that the student may choose from include drawing, art appreciation, sculpture and oriental art.

The honorary art fraternity is Kappa Pi.



TOP LEFT: Jon Donnel Wink, chairman of department. TOP RIGHT: Student forms clay pot in class. BOTTOM: Student throws pottery on the wheel.

# Communication

The communication department offers four sequences for majors and minors: general communications, speech, journalism and radio-television-film. A bachelor of arts or a bachelor of science degree can be obtained through this department. Headed by department chairman, Dr. Robert T. Ramsey, communication courses such as public relations, photojournalism, non-verbal communications and radio-television programming can be taken.

Student publications, KSAU and SFA-TV 2 serve as extracurricular learning activities for communication majors.

TOP: Student broadcasts on KSAU-FM 90. BOTTOM LEFT: Dr. Robert T. Ramsey, department chairman. BOTTOM RIGHT: Pine Log staff concentrates in critique session.

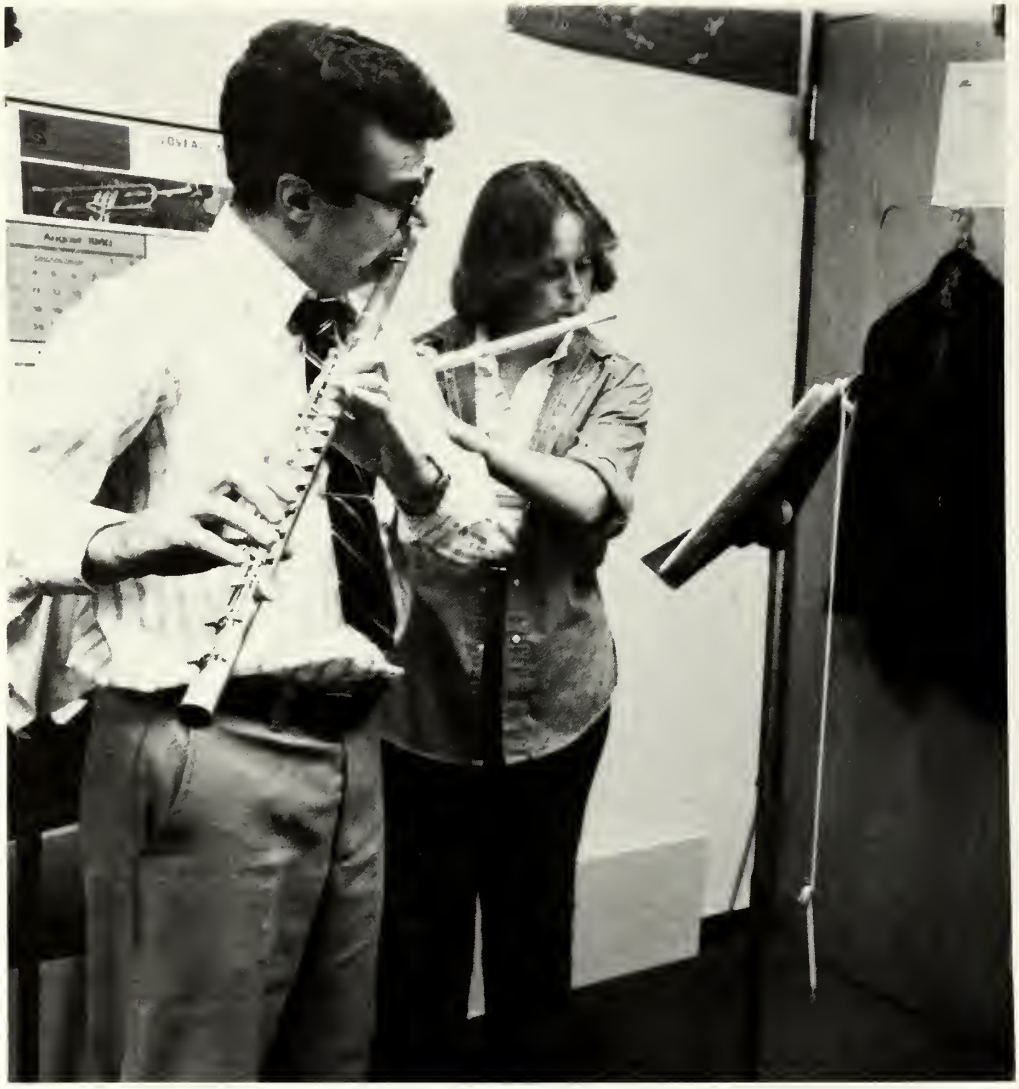
# Music

The department of music, headed by Dr. Robert L. Blocker, offers nine different plans for the Bachelor of Music or Bachelor of Fine Arts in Music degrees.

The curricula stresses the development of sound, functional musicianship, a broad background in liberal arts and provides music activities and courses for the general student.

Students and faculty members are presented in recitals by the department frequently throughout the year.

The four honorary organizations sponsored by the department are Kappa Kappa Psi, Mu Phi Epsilon, Tau Beta Sigma and Phi Mu Alpha.



TOP: Music professor and student practice for recital. BOTTOM RIGHT: Dr. Robert Lewis Blocker, Department chairman. BOTTOM LEFT: Music student, Cheryl Booth, plays the saxaphone.

# Theatre

The purpose of the department of theatre is to serve the student by encouraging his creativity, offering training in special fields, providing experience and teaching him discipline.

The department serves the student body and the community by presenting major stage productions.

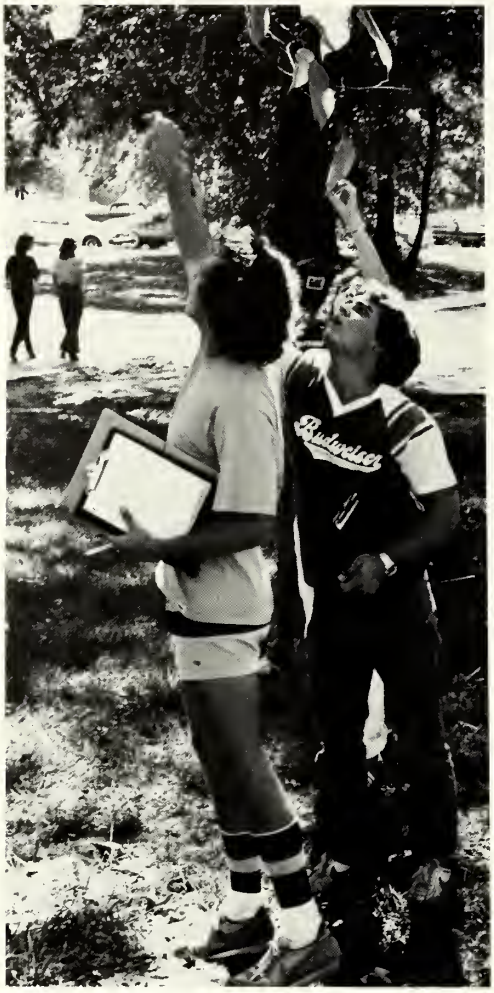
The department of theatre, headed by Dr. Thomas K. Heino, is a member of the Texas Educational Theatre Association and the National Association of Schools of Theatre, a Division of the American Theatre Association.

TOP: Dr. Thomas Heino and students draw scenery plans. BOTTOM LEFT: Margaret Schraeder practices for "Guys and Dolls." BOTTOM RIGHT: Students and professor build sets.

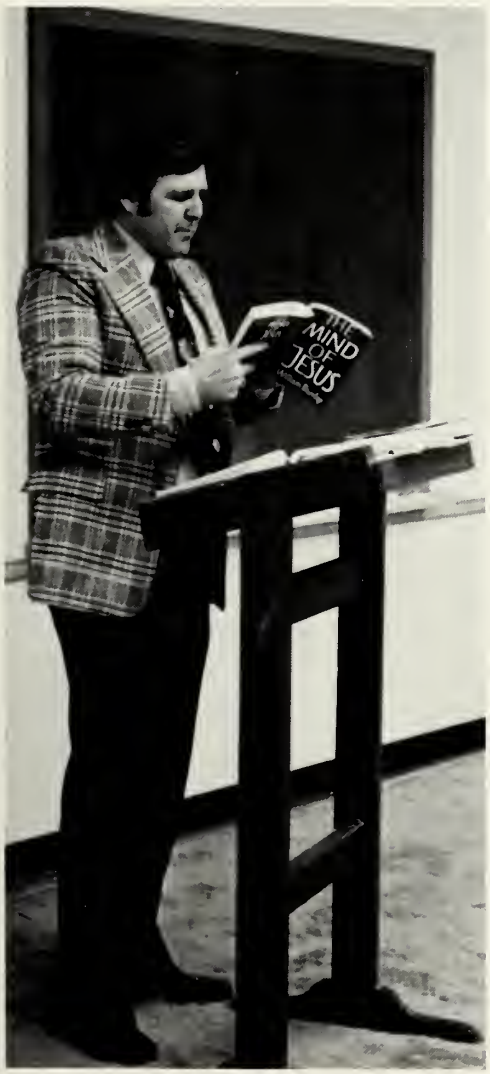
# Forestry

The department and School of Forestry, under the guidance of Dr. Kent T. Adair, is the largest department on campus. The undergraduate program offers a bachelor of science degree in environmental science and a bachelor of forestry degree in forestry. Within the forestry degree, major emphasis can be taken in forest management, forest game management, forest recreation management and forest range management. Graduate programs offered are a masters, doctorate and a special Ph.D. program in conjunction with Texas A & M.

The forestry honorary fraternity is Xi Sigma Phi. Forestry related clubs are the Society of American Forestry, Sylvans Club, Wildlife Society, Explorer Post sponsors and S.T.R.A.P.



TOP RIGHT: Craig Hyatt finds a real Texas armadillo on a field trip. TOP LEFT: Students identify trees on campus. BOTTOM: A silviculture lecture on a field trip.



# Bible

The Bible courses are offered by Bible Chairs, which are University affiliated agencies operated by the Baptist and Methodist churches. Carleton Dyer is the coordinator and instructor of the Bible classes. A student is allowed to take only six credit hours in such courses as contemporary religious issues, the life of Christ, the Bible and personal problems and comparative christianity. A major or minor is not offered, but classes are counted toward the Liberal Arts degree.

TOP: Students listen attentively in Bible class. BOTTOM: Carleton Dyer lectures to his class.

# English and Philosophy

English and philosophy is one of the largest departments at SFA.

The department offers a wide variety of courses for both the English major and students who are simply interested in specific areas of language. A few of these courses are folklore, major Negro writers in America, creative writing and literature for children and modern poetry.

Philosophy courses are for those students interested in searching for a general understanding of values and reality and a chance for further discussion and study.

The department also offers a liberal arts colloquium for selected students seeking honors in liberal arts.

The honorary organization, which is open to English majors, is Sigma Tau Delta.

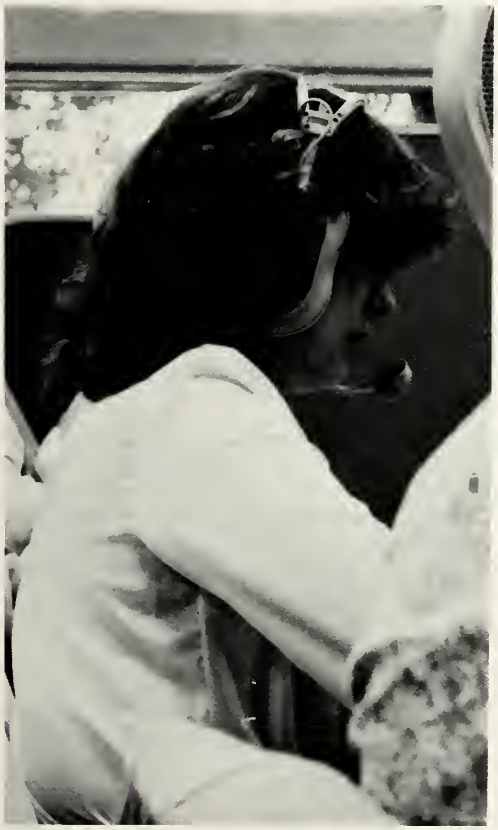
TOP: Philosophy students having group discussion.
BOTTOM: Dr. Roy E. Cain, chairman, department of English and philosophy.

# Modern Language

The department of modern language offers courses in French, German, Spanish and even Portuguese and Italian.

The main objectives of the department are to develop competence in understanding, speaking, reading and writing a modern language, and to provide guidance in preparation for the various opportunities in language work.

The department, headed by Dr. Vivian M. Gruber, provides advanced standing examinations in conversational courses for those students who are native speakers and those who have lived in a foreign country.

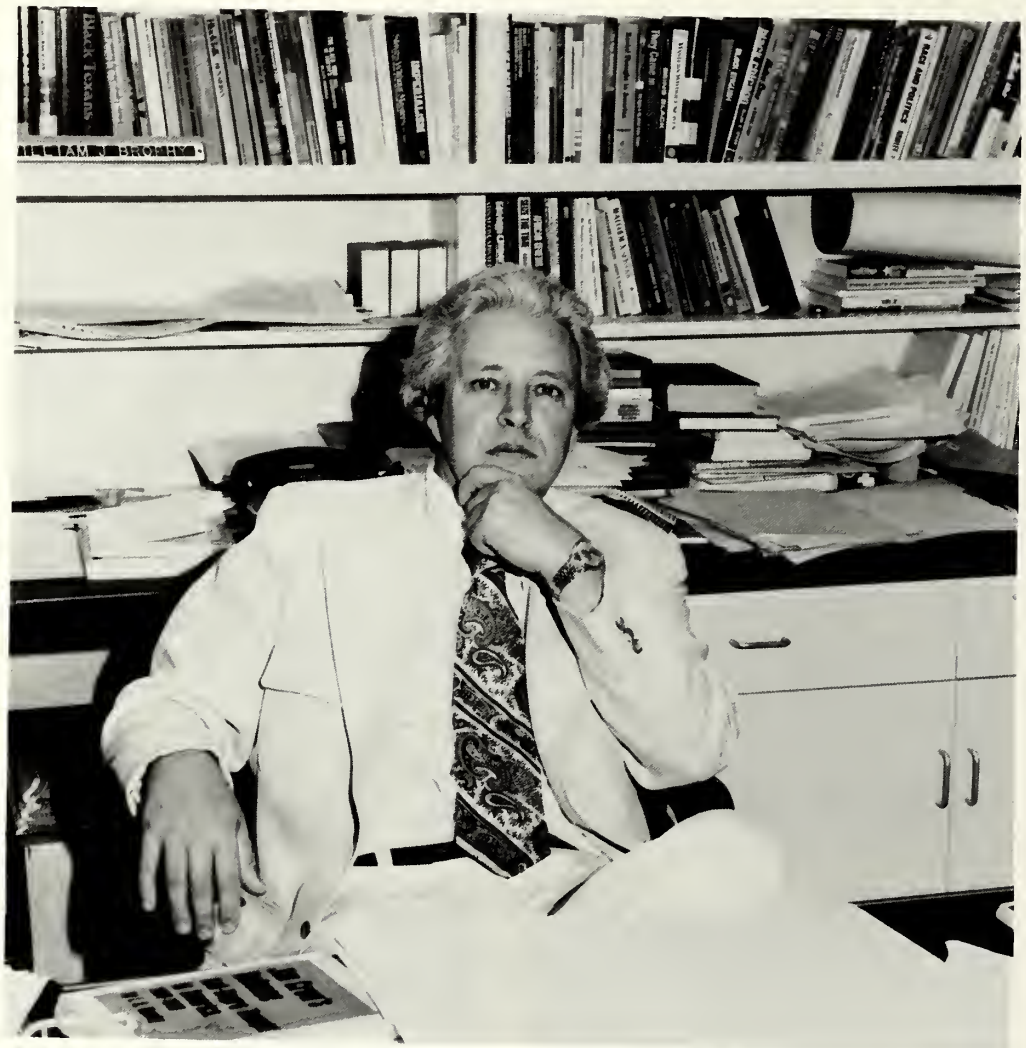


TOP: Student listens to language lesson in lab. BOTTOM LEFT: Language lab provides good practice for students. BOTTOM RIGHT: Dr. Vivian Gruber, department chairman.

# History

The department of history, chaired by Dr. William J. Brophy, can be found in the School of Liberal Arts. History major programs are designed to enable students to enter a variety of careers. Opportunities in the fields of library and museum work, teaching, politics, diplomacy and business are available. Courses that can be taken in this department are United States history, history of Mexico, the Afro-American and global diplomacy.

The fraternity, Phi Alpha Theta and the Webb Society are two organizations open to history students.



TOP: Dr. William Brophy, chairman of the department. BOTTOM: Dr. Joseph Devine lectures to his history students.

# Geography

The geography department in the School of Liberal Arts presents an integrated view of physical and social sciences. Under the direction of Dr. Leon C. Hallman, a bachelor of arts degree can be earned with major emphasis in urban America and Latin American studies. Courses offered include meteorology, regional planning and map compilation and design.

The honorary fraternity is Gamma Theta Upsilon.

TOP: Dr. Leon C. Hallman, department chairman. BOTTOM LEFT: Dr. Gerald Collier lectures to the students.

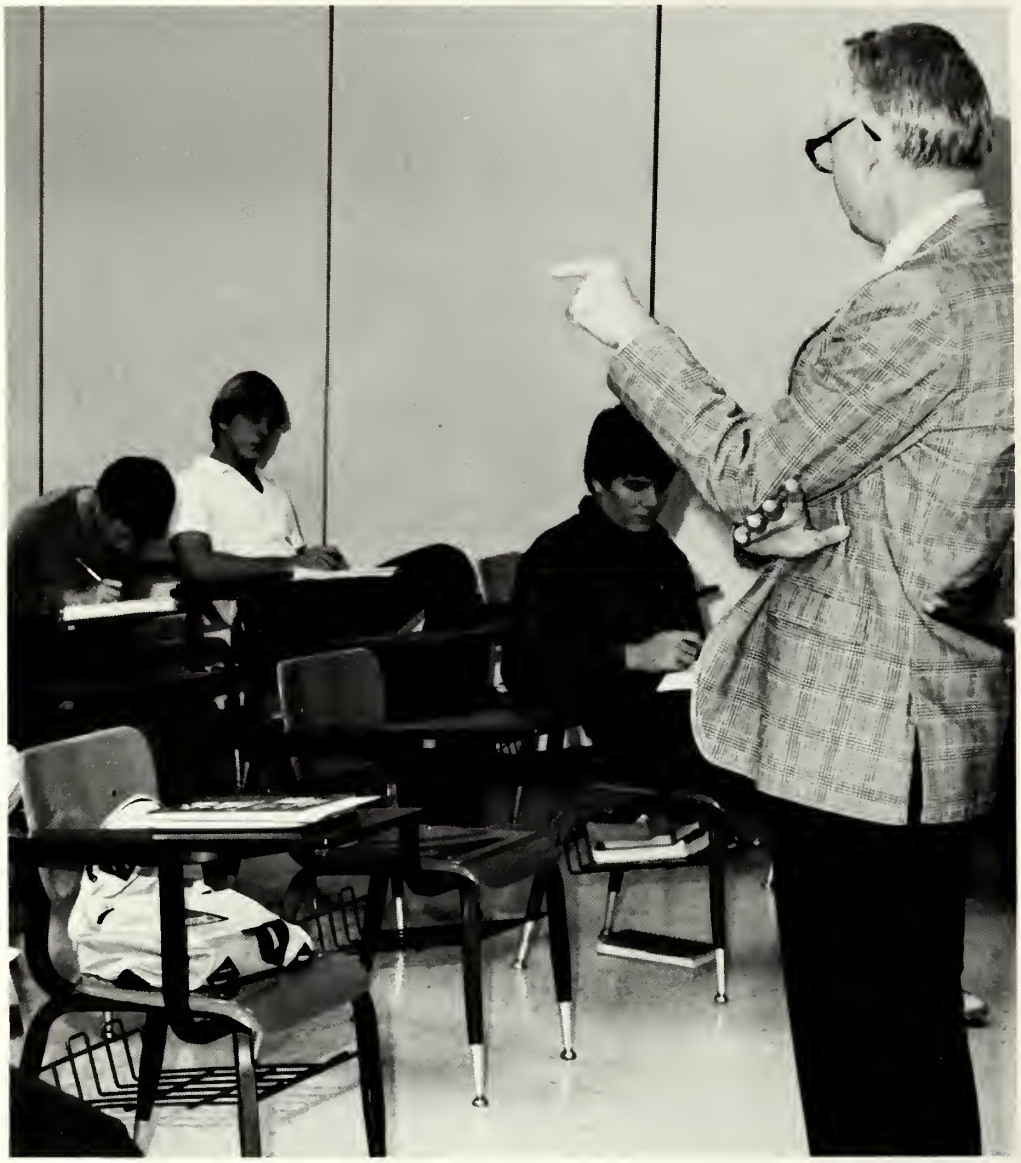
# Political Science

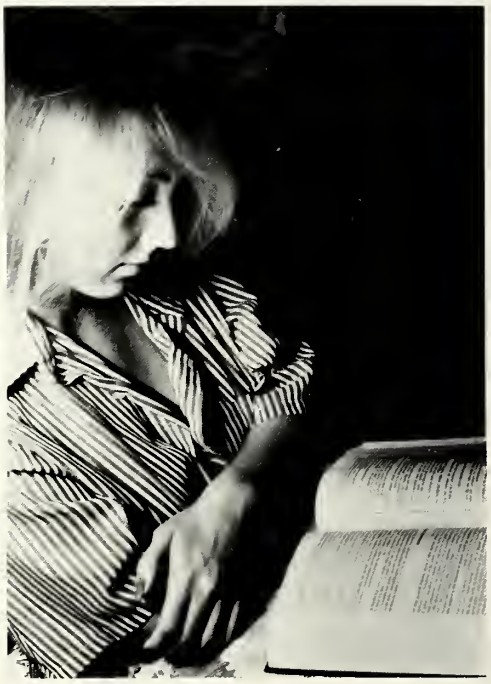
The political science department provides courses for the student desiring careers in law or in politics at the local, state, or national level, for teachers of the social sciences, and for those wishing to enter the civil services and desiring a background and information about their field of work.

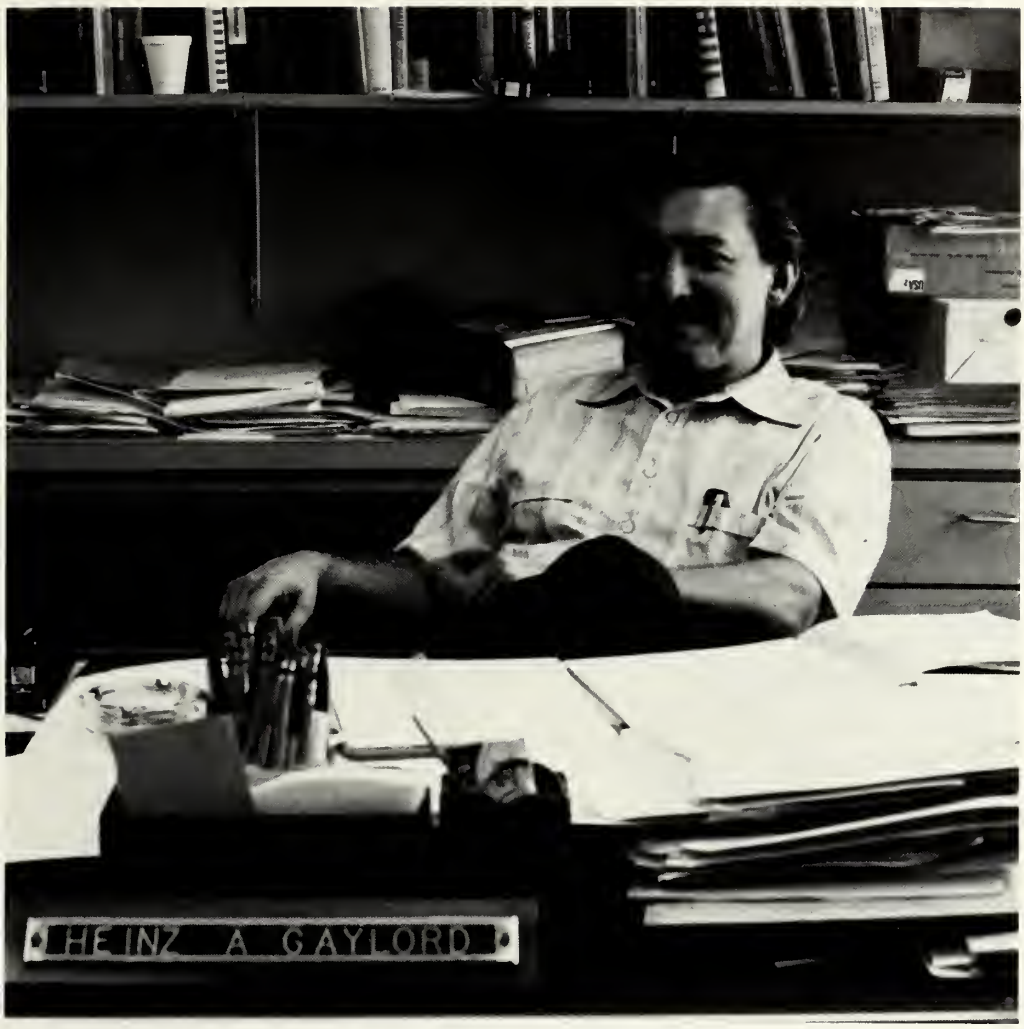
Because college students should become well informed about political institution, the state legislature enacted laws requiring the study of United States and Texas constitutions by all students receiving degrees from state-supported colleges and universities.

The department, headed by Dr. J.E. Ericson, contains more than 30 courses including teaching, pre-law, practical politics and public administration.

TOP: Dr. J.E. Ericson lectures in political science class. BOTTOM: Karen Crichton studies political science.







# Psychology

The department of psychology, headed by Dr. Heinz A. Gaylord, provides the student with a unique perspective for understanding human behavior and applying this knowledge in many different professional areas.

The department has its own laboratory including an animal and a learning lab for students to practice and apply techniques they have learned. The students also have the opportunity to volunteer for programs in five area institutions including Rusk State Hospital and Lufkin State School.

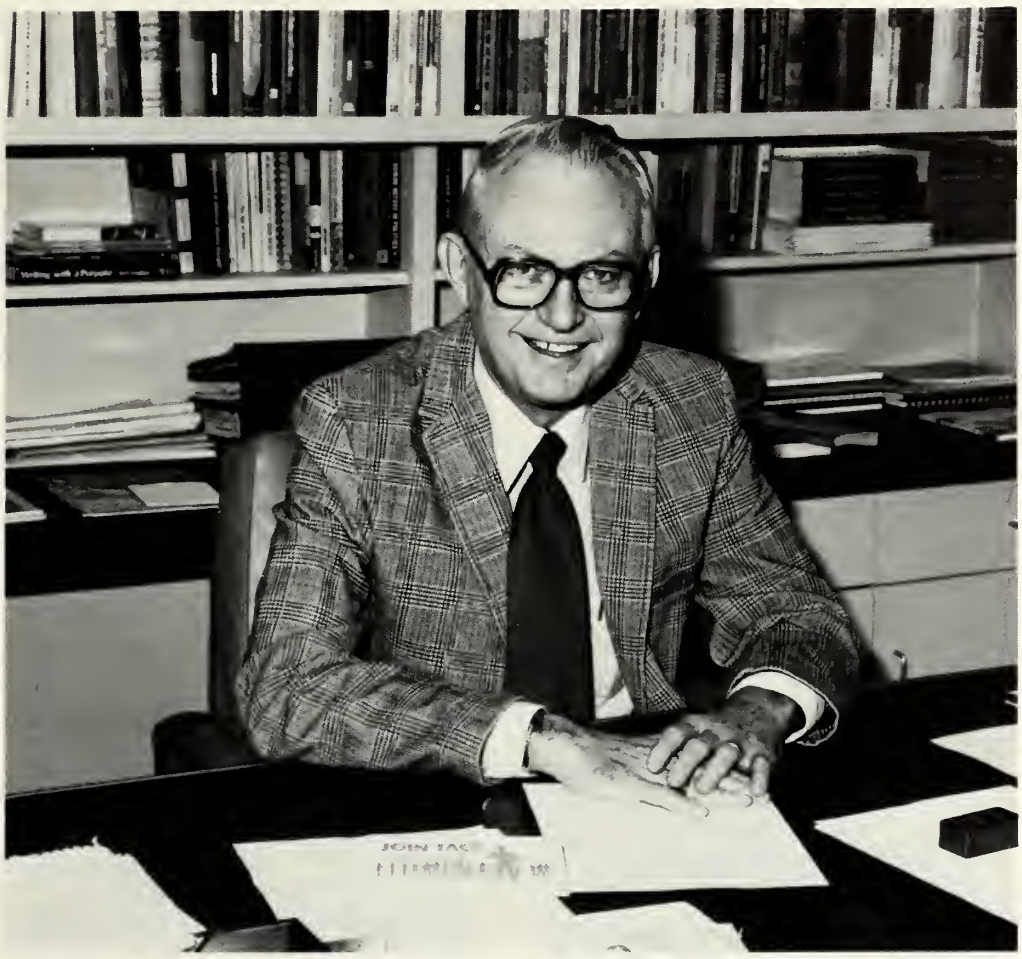
TOP: Dr. Heinz A. Gaylord, department chairman.
BOTTOM: Dr. Bruce Bailey lectures in one of his psychology classes.

# Sociology

The department of sociology in the School of Liberal Arts offers many programs. Special emphasis in anthropology, gerontology, nursing home administration and social planning are offered in a general sociology degree. Under the direction of Dr. Joy Reeves, the department courses included American minorities, sociology of sex roles, sociology of retirement and applied gerontology.

The fraternity related to this department is Alpha Kappa Delta.

TOP: Dr. Joy B. Reeves, department chairman. BOTTOM: Dr. James Corbin takes measurements of specimens in anthropology lab.



# Biology

The biology department, chaired by Dr. Charles Mims, is located in the School of Sciences and Mathematics. The purposes of the department are to give students familiarity with scientific methods and a broad training in several specialized fields of biology, such as zoology and botany. Among the courses offered in the biology department are plant kingdom, genetics, mammalogy and virology.

The Biology Club and the Beta Beta Beta fraternity are two organizations sponsored by the department.

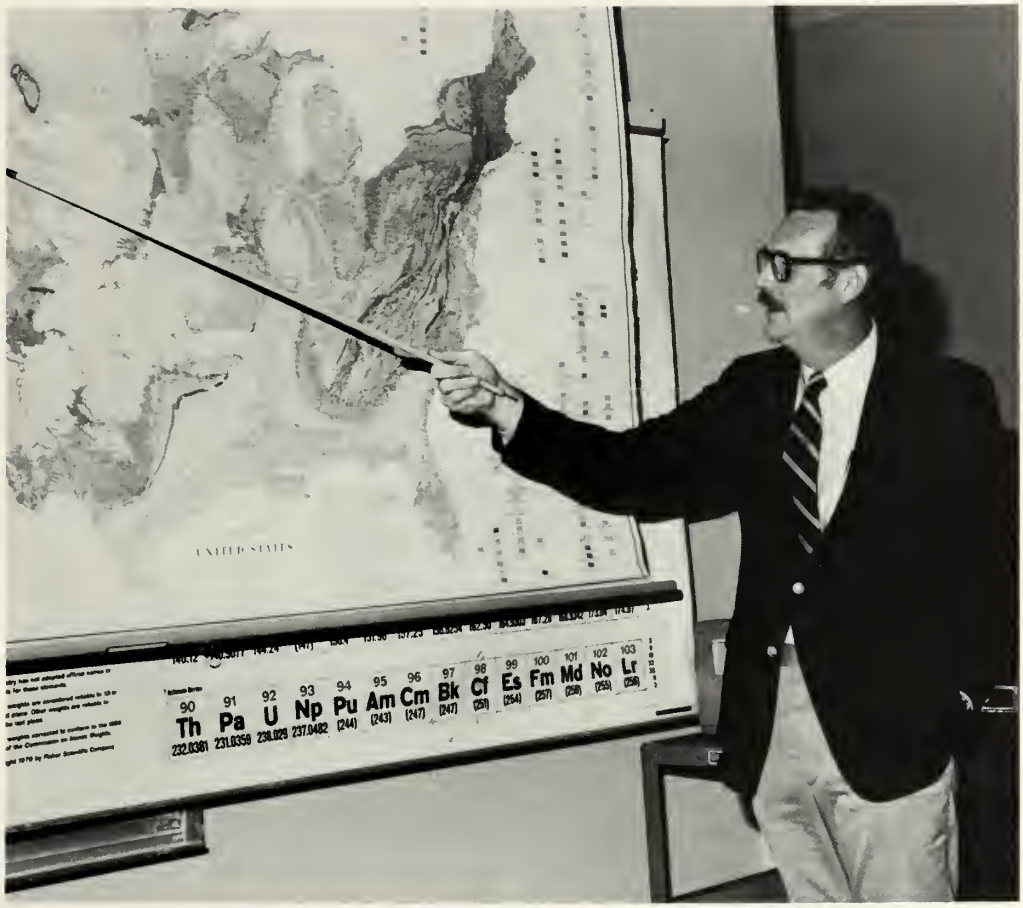
TOP: Dr. Charles Mims, chairman of the department. BOTTOM LEFT: Dr. Jack McCullough on a liminology lab field trip. BOTTOM RIGHT: Biology student looks at blood specimen under a microscope.

# Chemistry

The chemistry department and its curriculum, under the direction of Dr. J.A. Seaton, has the full approval of the American Chemical Society for the training of professional chemists.

The objectives of the chemistry department are: 1) to prepare students for graduate study in chemistry; 2) to prepare students for positions in industry, government service and teaching; 3) to allow science students with non-chemistry majors to relate chemistry to their major and 4) to acquaint non-science students with the methods, concepts and achievements of the science of chemistry.

TOP LEFT: Dr. Jacob Seaton, chairman of the department. TOP RIGHT: Dr. Charles Cates uses a high-powered microscope. BOTTOM: Chemistry student works on experiments in lab.



# Geology

Study and training in geology gives both science and non-science majors an understanding of the methods of science.

There are two programs available to the geology major, the general curriculum and the professional curriculum. The general program provides the student with a broad cultural background in a scientific field.

The professional program is designed for those students who intend to do graduate work in geology and to seek employment in the profession.

The professor and chairman of the department is Dr. Harry P. Hoge.

TOP: Dr. Harry P. Hoge, department chairman. BOTTOM LEFT: Geology lab student identifies specimen. BOTTOM RIGHT: Geology lab student examines rock.

# Mathematics and Statistics

A career in computers, electronics, energy industry, oil probes analysis and modeling behavior can be found in the department of mathematics and statistics. Headed by Dr. Thomas A. Atchison, the department hopes to provide a sound curriculum for students who wish to pursue a career in mathematics and statistics. A bachelor of science degree is offered along with a secondary mathematics teaching certificate.

The honorary fraternity, Pi Mu Epsilon, and the Math Club are organizations within the department.

TOP: Dr. Thomas A. Atchison, department chairman.
BOTTOM: Joe A. Neel prepares a mathematics lecture.

# Physics

The department of physics, under the guidance of Dr. Thomas O. Callaway, provides students with a physics background required for work in engineering, related sciences and medicine. The department, located in the School of Sciences and Mathematics offers courses such as musical acoustics, mechanics and heat, electronics and thermodynamics.

Physic majors can participate in the honorary fraternity, Sigma Phi Sigma, and the Society of Physics.

TOP: Students work an experiment in physics lab. BOTTOM LEFT: Dr. Thomas Callaway, department chairman. BOTTOM RIGHT: Students learn new problems in physics lab.

# Nursing

The nursing program at SFA strives to provide students with knowledge of the art and science of nursing and to give the students a background in other academic areas including the behavioral sciences, physical sciences and humanities.

The program also utilizes existing research as a means for conducting practice in new research, either at a beginning level or as a preparation for a higher education. Admission to the nursing program is limited to currently licensed registered nurses.

The associate professor and director of nursing is Dr. Beverlyanne Robinson.

TOP LEFT: Dr. Beverlyanne Robinson, director of nursing. TOP RIGHT: Nurse Scott takes a student's blood pressure. BOTTOM: A student checks a "patient's" heartbeat.

# Who's Who Among American Colleges And Universities

Selections to Who's Who are made each fall by a campus nominating committee consisting of a faculty member from each school, two SGA representatives and Dean Ernestine Henry of student development. According to Dean Henry, student organizations are also consulted for nominations but anyone can submit names for consideration. Qualifications are then examined to narrow the number of choices, and those who qualify are asked to submit resumes of achievement. In evaluating upperclassmen and graduate nominees with a minimum 2.7 GPA, the committee weighs extracurricular activities and community involvement as well as scholastic excellence to distinguish those who by their actions set themselves apart from the rest.

# Alpha Phi Omega

An Alpha Phi Omega member repaints the Lumberjack's Spirit Ax.

The 1980 Homecoming bonfire is faithfully constructed by Alpha Phi Omega members.

Alpha Phi Omega, a national service fraternity, was originally founded at Lafayette College in Easton, PA on December 16 1925. Its purpose is to assemble students in the fellowship of the principles of the Boy Scouts of America, to develop leadership, to promote friendship and provide service to humanity.

The Mu Sigma Chapter at Stephen F. Austin was chartered on December 16, 1961 in the Stone Fort Museum, which is where all ceremonies have taken place since that date.

As part of its on-going service program, Alpha Phi Omega maintains the SFA Spirit Ax, is in charge of the Homecoming bonfire and sponsors a handicapped Boy Scout troop. Each spring it holds a Heart Fund Bathtub Pull to raise money for the American Heart Association. Alpha Phi Omega also runs the Nacogdoches pledge center for the Labor Day Muscular Dystrophy Telethon.

## Twirlers

The SFA twirlers were a noticeable part of the halftime shows during football season. The girls were featured as a group and individually.

# Band and Flags

The SFA band and flag corp helped provide entertainment during football halftimes. In conjunction with the twirlers, the band and flags performed intricate routines. In order to achieve this, the groups practiced long hours learning their steps and their music. While in the stands, the groups helped maintain spirit by playing rousing music.

Published on Tuesdays and Fridays during the spring and fall semesters, The Pine Log is the student newspaper of Stephen F. Austin.

The newspaper staff is composed of several departments: news/editorial, photography, sports and advertising. Journalism majors and minors apply for staff positions and qualified students are selected by members of SFA's Student Publications Committee.

Working on The Pine Log gives potential journalists a chance to practice their writing and production skills in a laboratory atmosphere.

The Pine Log covers the news of the SFA campus and the Nacogdoches community.

# Stone Fort Staff

The production of the 1981 Stone Fort started in September as staff members learned new techniques of working with a new publishing company. Under the direction of new director of student publications Sue Perkins, the 11-member staff began the long task of producing a book that would reflect a year in the history of SFA. "Nacogdoches — a great past; SFA — a greater future" was the theme chosen for the book because of the unique bind between the town and the university.

New sections such as Academics, Entertainment, Student Life and Honors were added to give better coverage to the activities of SFA students.

The staff, which consisted of eight "rookie" members and three "veteran" staffers, worked throughout the year to meet the five deadlines set by the publishers. Combining their efforts, they managed to complete the 484-page book in mid-February.

# Photographers

According to head photographer Hardy Meredith, student photographers in the fall semester of 1980 proved to be one of the best staffs ever for SFA's student publications. Each photographer showed his talent, giving the photos a unique quality.

These photos began with a photo assignment from one of the members of the Stone Fort or The Pine Log staff. The assignments were distributed among the photographers. After the pictures were taken and developed, proof sheet pictures were selected to be enlarged for publication.

The new ACACIA house located on East Main Street.

ACACIA fraternity was chartered at SFA on April 27, 1975 and is one of the youngest fraternities on campus. It is the only fraternity to use an entire greek word for its name rather than using a combination of greek letters. Its colors are black and old gold and its flower is a sprig of acacia in bloom. Having "human service" as their motto, ACACIA travels to Galveston each year to give blood to the Shriner's Burn Institute. In addition, ACACIA performs at least two other philanthropic activities each year. For example, they give aid to the East Texas Women's Shelter and the East Texas Special Olympics which are held at SFA each spring. While maintaining high scholastic standards, ACACIA also stresses social activities. Some of their activities include an annual spring pool tournament, participation in Greek Week and its spring formal, the "Laidback Luau" in New Braunfels on the Guadalupe River. ACACIA is currently enjoying the benefits of fraternal brotherhood at their newly acquired house on East Main Street.

ACACIA's gather for a cookout in their back yard.

Alpha Tau Omega was the first fraternity founded after the Civil War between the states and was based on principles designed to bring a war-torn country back together. The Alpha Tau Omega fraternity at SFA was founded on April 12, 1969. Since then, they have grown to be the largest fraternity on campus. A few of their accomplishments include highest overall active and pledge GPA, Homecoming King, sophomore and freshman duke for 1980 and first place Homecoming float for two years in a row. The annual Heart Fund Drive and cleaning local church grounds are two service activities in which the Tau's take active part.

Chi Omega was founded at the University of Arkansas. The Epsilon Zeta Chapter was founded at SFA on December 7, 1963. The Chi Omegas at SFA are involved in many activities such as band, Mam'selles, UC committees and the soccer team. Their 1980 spring pledge class received the scholarship tray for achieving the highest GPA. Freshman and sophomore duchesses were Chi Omegas as well as the 1980 Derby Doll. Their service project is a Christmas party for the retired citizens of Nacogdoches.

Delta Delta Delta sorority was founded at Boston University in 1888 and encourages college women to assume the highest responsibilities with integrity and devotion. The Beta Xi chapter at SFA was chartered in 1972. Silver, gold and blue are the sorority's colors and the pansy is their flower. The Tri-Delts have been awarded the highest active GPA award presented by Panhellenic for nine semesters, eight of them consecutive. Each year Tri-Delta gives two $300 scholarships to SFA students. They also collect money for children's National Cancer Research, Tri-Delta's national philanthropy. Tri-Delt's are involved in various campus activities including Ladyjack volleyball, SFA choir and orchestra, cheerleading, Mam'selles and intramurals. This year's junior duchess is a Tri-Delt.

Delta Sigma Phi was founded on December 10, 1929 at the College of the State of New York. They are the oldest fraternity on campus. They began as the Sawyers in 1929 and became Delta Sigma Phi national fraternity in 1960. Their colors are nile green and white and their flower is the white carnation. Their ax handles are seen at the SFA football games supporting the Lumberjacks. Delta Sigs are active in intramurals and stress academics as well. The Most Distinguished Alumni for '78 and '79 was a Delta Sig. Every year they put on a Playboy Bunny Contest to raise money for the Nacogdoches Treatment Center. Their spring formal is the Dream Girl Formal and at that time, an outstanding little sister is chosen as their Dream Girl. The Delta Sigs encourage brotherhood in many ways such as intramurals, parties and work projects. Delta Sigs not pictured are Joe Smith, Ralph Foreman, Chris Walters, Mike McDougal, Mike Smith, E.J. The Sigma Omicron chapter of Lambda Chi Alpha was chartered on the SFA campus in 1974. Since that time, the promotion of brotherhood, public service, socialization and growth have been the mainstreams of this chapter's purpose. In order to achieve this, the brothers of Lambda Chi are busily engaged in activities which include having Christmas with the children of Lufkin State School and the sorority presidents' kidnap during which thousands of canned goods are collected for the community. The main social functions of the chapter are highlighted by Homecoming and the White Rose formal. Throughout all of the Lambda Chi's activities, the cultivation of brotherhood and friendship remain as the proudest achievements of the fraternity.

Sigma Kappa was founded on November 9, 1874 at Colby College in Waterville, Maine. The Gamma Chi Chapter of Sigma Kappa began on this campus from a local club, the Amities, in 1928, and was the first national sorority on this campus in 1960. Sigma Kappa was responsible for establishing the National Panhellenic Council at SFA. Their colors are lavender and maroon and their flower is the violet. Sigma Kappa has members in honor fraternities, Who's Who and little sisters to different social fraternities. In the spring of 1980, they were chosen as the overall winners for Derby Week. At the Sigma Kappa National Convention, they received the National Sisterhood Award. Sigma Kappa places a great deal of importance on philanthropy also. They have an adopted grandfather and they contribute money to the Maine Sea Coast Mission and American Farm School in Salonica, Greece.

# ETC. courses

ETC. courses, offered by UC programs, are a productive way to use leisure time. Courses are offered in the afternoon and evenings so that students can fit them to their schedules. Prices range from $10 to $20 plus the cost of supplies.

Some courses offered include country and western dance, modern dance, exercise class, arts and crafts, caligraphy, and a new class, stained glass. "The ETC. courses are beneficial, and I learned a lot," according to Lisa Brown who took some ETC. courses.

ETC. courses are offered every semester for students or residents, young or old. The courses are interesting and serve as a good way to spend some leisure time, relax and learn.

# Cowboy Chic

The "Cowboy Chic" look across the U.S. is nothing new to Texans. The sudden cowboy craze began with John Travolta's movie, "Urban Cowboy." A Texan cannot help but be proud of their state being the topic of conversation in clubs and clothing stores throughout the country. Many discos have turned to two-steppin' and tennis shoes have been replaced by cowboy boots. A cowboy hat, belt and blue jeans are accepted attire in most social places.

SFA students enjoyed taking kicker dance lessons and dancing at one of Nacogdoches' clubs. The intramural and local rodeos provided another form of cowboy entertainment.

The SFA Theatre displays the marquee of a popular western of the '80's.

# UC movies

With most college students' budgets these days, a movie that costs a dollar seems like a gift from heaven. In the spring, the movies were shown in the UC Grand Ballroom where the acoustics are an improvement over the Kennedy Auditorium.

The Fine Arts committee sells popcorn and Cokes and sponsors a drawing for door prizes before each movie begins. Some of the movies that have been offered are "The Blues Brothers," "Texas Chainsaw Massacre," "The Muppet Movie," "The Shining," "The Deer Hunter," "Honeysuckle Rose" and "All That Jazz."

The movies are drawing larger crowds each week. Could it have anything to do with the fact that gasoline is $1.40 a gallon?

On March 4, 1980, an estimated 5,000 people were entertained by popular country and western songstress, Crystal Gayle, in the SFA Coliseum. Her hour long concert and encore included hit songs such as "Half the Way," "Why Have You Left the One You Left Me For?," "Talkin' in Your Sleep" and Grammy Award winning "Don't It MakeMy Brown Eyes Blue." She and her eight-member band sang "Miss the Mississippi and You," the title song from her latest album.

Comedian Bob Dubac opened the performance with a 35-minute magic and comedy act.

# "Heart" rocks at SFA

Six thousand people watched a spectacular performance by rock group, Heart, on April 8, 1980 in the SFA Coliseum. Ann and Nancy Wilson, along with the five-member band performed their hits "Crazy On You," "Dog and Butterfly," "Straight On" and "Even It Up," plus many more songs. The show included music from previous albums but focused on material from their newest release, "Bebe le Strange."

Van Wilkes, a four-member hard rock band, opened the performance with a 35-minute show to the predominantly SFA student audience.

# Mickey Gilley and Johnny Lee

On February 7 at 8 p.m. Mickey Gilley and "Looking for Love" Johnny Lee appeared before a near-sell-out crowd at the SFA Coliseum. Sponsored by UC programs and the Sigma Tau Gamma fraternity, the concert was a big success.

Dressed in their C & W (attire), the audience's country spirit urged on the applause for the singers. Gilley sang his old original songs then overwhelmed the audience with his hit "Stand by Me" from the movie "Urban Cowboy."

Gilley and Lee closed the concert saying how glad they were to be back in Texas and what a great audience SFA students were.

# Charley Pride entertains

Country western singer, Charley Pride, entertained at the SFA Coliseum on October 24, 1980 before a crowd of 3,500. In addition to singing such hits as "Kiss An Angel Good Morning," "Kaw-Liga," "Missing You" and his first song "Snakes Crawl at Night," the Grammy Award winner sang 24 songs. Pride included the audience in his act when he sang a special dedication to a couple celebrating their 50th anniversary, along with other requests made by the crowd.

The Pridesmen opened the show followed by country rock singer, John Wesley Ryles.

# Winter Carnival

Due to poor weather, the fall carnival was postponed until spring. The carnival, sponsored by UC programs, was held in the new main ballroom in the University Center.

Festivities included food booths, game booths, and entertainment groups. Food booths included chili sold by the Greenhouse Management Club and baked goods sold by Delta Zeta. Game booths included a jail, calf roping, cake walks and a dart-throw.

The entertainment drew the biggest crowd, with a hypnotist, the Jazmine Jazz band and a clown act by Sneakers and Jingles. Door prizes were also awarded.

# "Guys and Dolls"

The Frank Loesser musical, "Guys and Dolls" entranced audiences for the six nights of October 30, 31, November 1,6,7,and 8, 1980, at the SFA Theatre. Under the stage direction of Dr. W.K. Waters and the orchestra direction of Darrell Holt, the Theatre and Music department entertained people of all ages. The classic guy-meets-girl story gave Arlington freshman Chuck Smith's character of Sky Masterson an excellent opportunity to display his acting ability with Houston junior Claire DeStephano as Sarah, his love. Miss Adelaide, played by Vicki Wimberly, Texas City junior, and Nathan Detroit, played by Kingwood senior Scott Roser, entertained the audience with their portrayal of a back and forth love affair.

# Ten Little Indians

On December 4, 5, 6, 8 and 9, 1980, SFA's Theatre Department presented Agatha Christie's mystery "Ten Little Indians." Under the direction of graduate student, Stephanie Smith, the play revolved around eight guests who are invited to a weird country house by a mysterious host.

Lead characters were played by Stephen Coldiron, Fort Worth freshman; Dana Mullen, Nacogdoches freshman; and James Peters, Dallas sophomore. Other cast members included Keith Baker, Livingston sophomore; Carrie Butler, Longview senior; Steve Hergert, Perryton freshman; Celise Moreau, Dayton, freshman; Larry Nichols, Henderson junior; Bill Richardson, Mexia graduate; and Jeff Schwalk, Perryton freshman.

# SFA Symphony Orchestra

The SFA Symphony, under the direction of Kurt Gilman, is an extracurricular activity for the 50-member group. The symphony is composed of music majors and minors in addition to students in other fields. Sections within the symphony include a 20-member string group, double reeds, trumpets, trombones, flutes, clarinets and a whole percussion set. The symphony presents eight free concert a year, including an annual children's symphony in which the Nacogdoches elementary schools are invited to attend.

A symphony scholarship is also offered to outstanding members of the SFA symphony.

# Northwestern

On September 20, the 1980 Lumberjacks dropped their season opener 22-3 to the visiting Northwestern State University Demons.

The annual battle for Chief Caddo was dominated by Northwestern quarterback Bobby Herbert who completed 16 of 28 passes for 265 yards, three touchdowns and the first at-home defeat for the Lumberjacks in nine games.

Although SFA quarterback Gary Jentz opened the game with three completed first down passes, it was NSU who scored first with a field goal. SFA caught up with a Doug Loafman field goal later in the second quarter, but NSU went on to take a 9-3 halftime lead.

During the second half the game belonged to Northwestern as the Lumberjacks were unable to put together an offensive drive and allowed the Demons to score two more touchdowns.

SFA quarterback Jentz completed 10 of 24 passes for 122 yards. Jimmy Kegler gained 47 yards on 10 carries and All-American Paul Hood was held to 29 yards in 14 carries.

UPPER RIGHT: The Jacks join together to tackle a Northwestern player. ABOVE LEFT: Gary Jentz struggles to make a pass while pulling a Northwestern player along the field. RIGHT: Big Chief Caddo belongs to Northwestern for one more year.

SFA was forced to forfeit the first win of the season when an ineligible player was discovered. University officials learned that one SFA player did not have the required number of transfer credit hours to play in the Henderson State game.

But forfeit or no forfeit, the Lumberjacks defense played a terrific game to stop the 13th ranked Reddies with a score of 7-3. Not only did the "Junkyard Dog" defense frustrate the HSU offense, they scored the only Jack touchdown in the nonconference game when safety Ricky Cosper intercepted a pass by Reddie quarterback Brian Howard and ran the seven yards to the goal line. Cosper was named Lone Star Conference defensive player of the week.

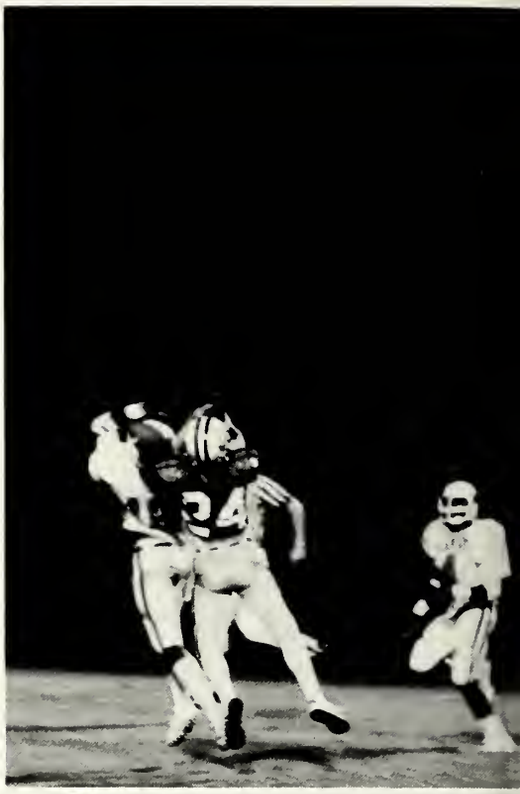
Offensively the Jacks were ineffective. Quarterbacks Gary Jentz and Dale Horton connected on only four of 14 passing attempts. However, halfback Paul Hood rushed for 134 yards in 28 carries and Rick Kinsey punted 13 times to break the school record of 12 set in the Nevada-Reno game in 1978.

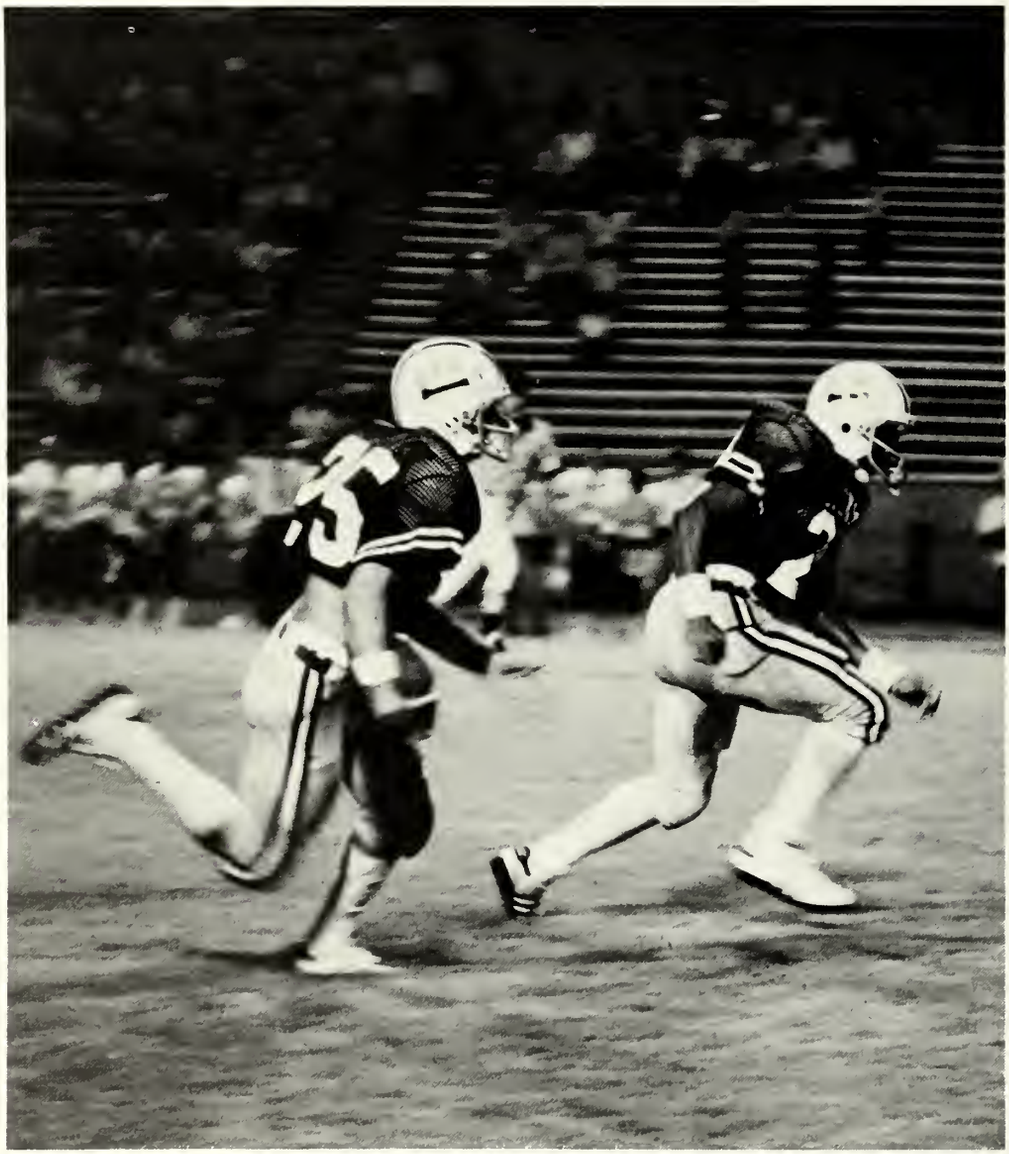
LEFT: Defensive end, Orlando Godfrey salutes a Henderson State player. BELOW: All-American Halfback Paul Hood attempts to break away from the HSU defense as Brad Aduddell and Danny Bogar assist.

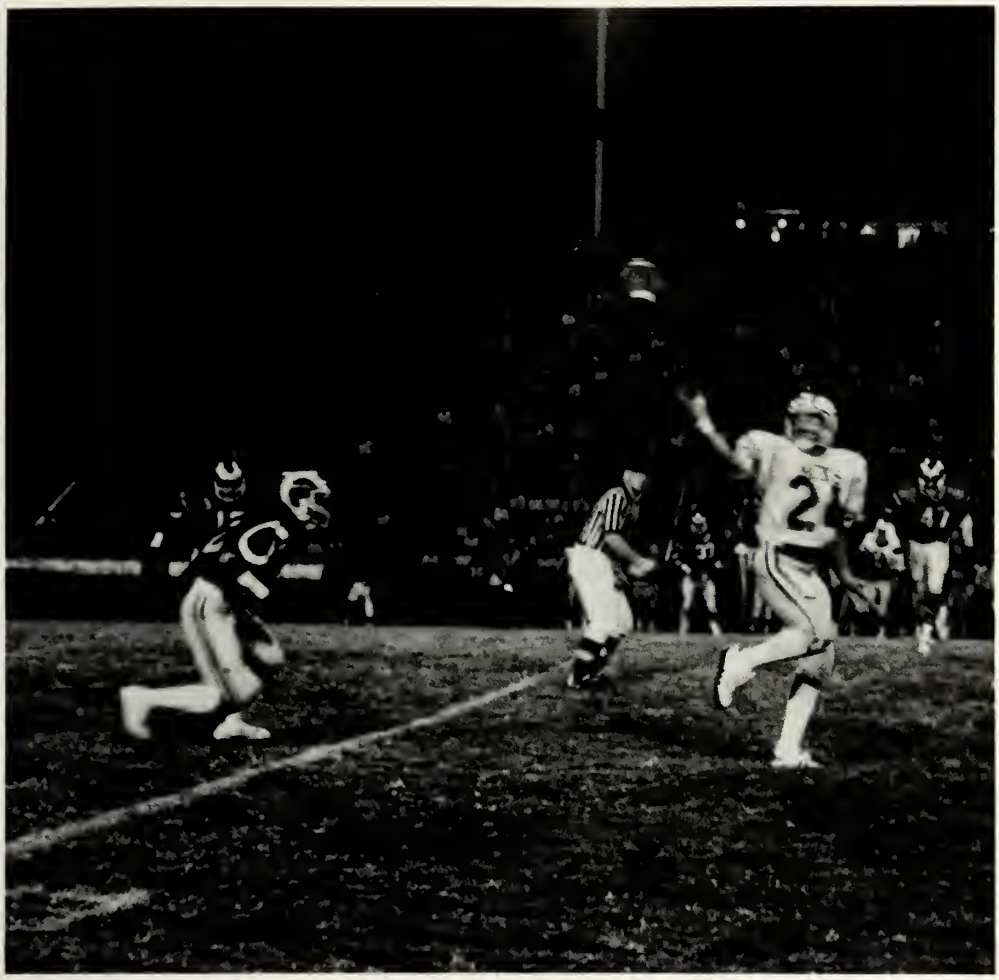
# Lamar

The Lamar Cardinals took advantage of SFA's mistakes to take a 38-0 lead after the first half. Stopping the Jack's third quarter attempt at a comeback, the Cards defeated the Jacks 45-21. Even with the loss, Paul Hood went over 100 yards rushing for the second time this season. The Jacks led Lamar in yards rushing with 245 yards. After this loss the Jacks had a 0-3 record. Lamar is an NCAA team and this was a non-conference game.

TOP RIGHT: Jimmy Kegler tries to get to the sidelines before being tackled by a Lamar player. LEFT: Mark Riggs jumps between two Cardinals to catch the ball. BELOW RIGHT: Paul Hood runs with the ball. BELOW LEFT: SFA players hug each other after a touchdown.







On October 11, the NAIA top-ranked Rams pulverized the Lumberjacks 35-7 to avenge the 1979 21-0 shut-out by SFA.

The unchecked Ram offense gained 250 yards on 51 carries, scoring on 49, 73 and 77 yard gains and opening the second half with a 92 yard kickoff return for a touchdown.

Offensively the Jacks were held to 194 yards. Paul Hood gained 42 yards on 17 carries while Jimmy Kegler carried 10 times for 24 yards and Freddie Reed made 20 yards on two carries. Starting quarterback Gary Jentz completed six of 17 passes for 41 yards. Reserve quarterback Dale Horton completed 5 of 6 for 53 yards.

The lone Lumberjack touchdown came late in the fourth quarter. With 2:50 left in the game, the Jacks gained 73 yards in 15 plays to allow Hood to cross the goal line.

# Texas A&I

A 14-0 lead over Texas A&I gave the Lumberjacks their first 1980 win. The Jacks held the Javelinas to a mere 73 yards rushing. This yardage was completed in 39 carries, averaging two yards per Javelina carry.

The Jacks first score was a two-yard run by Charlie Smith with 49 seconds left in the game. The second score was made when Gary Jentz hit Bill Cosper for a 38-yard touchdown pass. This win gives the Jacks a 1-4 record for the year and a 1-1 record in Lone Star Conference play.

Southwest Texas State held the Jacks to a 34-20 win in San Marcos. The Jacks were leading in the second half of the game 20-14, but could not keep their edge over the Bobcats. The three touchdowns made in the third quarter were on a one yard run by Paul Hood and on 72 and 51 yard runs by Charlie Smith. Charlie Smith picked up 148 yards in 16 carries. Two of these runs were touchdowns. Paul Hood broke the century mark with 111 yards for 20 carries. Despite the loss, the Jacks played with determination and made a superb showing throughout the game.

# Abilene Christian

In the 1980 Homecoming game, the Lumberjacks squeezed by the Abilene Christian Wildcats with a final score of 24-23.

The Jacks took a 10-3 lead at halftime but the Wildcats capitalized on Lumberjack mistakes to gain a 23-10 advantage in the third quarter. In his first game as starting quarterback, Dale Horton hit wide receiver Duan Hanks in the end zone with a 36 yard pass. Doug Loafman's extra point kick was good and the score became 23-17.

Three possessions later, Horton connected with Mark Riggs on a 60-yard touchdown pass and again Loafman came through with the extra point and SFA took a one point lead. The Jacks defense managed to hold the Wildcats for the rest of the game. Defensive efforts were greatly aided by three interceptions by Lumberjack free safety Kevin Jackson and a fumble recovery by Roger Adams.

# East Texas State

The East Texas State Lions devastated the Jack defense and defeated SFA with a score of 44-7.

Lions quarterback Wade Wilson completed 16 of 26 passes for 314 yards and five touchdowns. The scores came on passes of 43, 41, 55, 19 and eight yards.

The lone Lumberjack score came in the first quarter after Charlie Smith returned a Lion's kickoff for 77 yards, then somehow dropped the football which SFA recovered. The Jacks managed to drive the remaining yards with Paul Hood rushing for the final three yards.

TOP: Chris Matejka has a consolation hug for Rick Kinsey. RIGHT: Myron Anderson with a sidelines grimace.

Despite not completing a pass all day, the Lumberjacks defeated the Sam Houston State Bearkats 23-6.

Paul Hood rushed for 122 yards on 23 carries and scored two touchdowns. This final game gave Hood 872 yards on 191 carries and six touchdowns for the season.

SFA scored first after Tom Arthur blocked a Bearkat punt on the Sam 30 yard line and Clarence Glass recovered the football. SFA scored again on a 66 yard drive and again after Orlando Godfrey intercepted a Bearkat pass and returned it for 59 yards.

Doug Loafman kicked two extra points and a 41 yard field goal.

The win gave SFA a closing record of 4-3 in the Conference and 4-6 overall for the season.

# Outlook Positive

The 1980-81 season outlook for the Lumberjack basketball team was optimistic after a 15-12 record for the 1979-80 season. The Jacks had six returning players, including three starters and were augmented by several top recruits.

The basketball team is coached by Harry Miller who has compiled a 20-34 record beginning his third year at SFA. The assistant coach is Tom Pate, also in his third year at Stephen F. Austin and Pate are aided by student assistant Greg Roe.

# Glory Bound

Seven freshmen, two sophomores and three seniors made up a young Ladyjack squad which was determined to reach the elite final four. Three seniors, Vanessa Anderson, Barbara Brown and Missy Weisinger led the Ladies throughout the year.

Anderson became an offensive threat for the first time in her four year career, leading the Ladies in scoring and rebounding. She was named to the all tournament team at the Pizza Hut Classic.

Brown was nominated for the Wade Trophy, the award given to the best women's collegiate basketball player.

Weisinger started her fourth year as a pick to the All-Texas team and rated as one of the best guards in the country.

Sophomore Pam Crawford was already recognized as one of the best players in the nation. She was picked as the most valuable player in the Dallas Classic and the Pizza Hut Classic. She was also made the all-tournament team in the Las Vegas Desert Classic.

# Experience

The six returning Lumberjack lettermen included two seniors, Sherman Rossie and Eric Carter. The 6'5" Rossie, three-year letterman, was second in rebounding and third in scoring during the 1979-80 season. Carter averaged 4.14 points while appearing in 22 games during 1980.

Another returning veteran was Mike Peppercorn, a two-year letterman who averaged 6.27 points a game. The 6'3" junior guard had been SFA's assist leader in 20 games coming into the 81 season.

Still more returning veterans are Alan Howard who hit 65.7 percent of his field goal attempts and averaged 6.35 and 4.5 rebounds a game. Alden Wren hit 5.89 points per game and 71.4 percent of his free throws during 1980. Winston Harrison led the Jacks with 74 assists in all 27 games during the 79-80 season. Greg Derrett is the other returning Lumberjack.

LEFT: Mike Peppercorn uses every ounce of muscle fiber to escape the blocking of his opponent.

# Inspiration

Added to the 1980-81 team were three top recruits. Rosalind Polk broke into starting line up as an ultra-quick guard while Tammy Mayo iced the basket as forward with her excellent outside shooting ability. Mayo held the second spot in team scoring most of the season.

Also new to the line up was Sybil Johnson. Counted on heavily at the post position many times in the season, Johnson proved to be a dominating player and appeared many times to have the same form as former SFA great Rosie Walker.

# Successful Start

The ladyjacks rolled over their first three opponents before being upset by Wayland Baptist and 13th ranked Oregon in the Queens Classic.

A 72-66 win over third ranked Tennessee in the final four seconds of the game brought the Ladyjacks back into the national spotlight.

SFA captured the Dallas Classic with a revengeful 84-64 win over Wayland. The Ladyjacks won the Pizza Hut Classic in Wichita, KS to take their second tourney of the year.

The first ranked Louisiana Lady Techsters downed the Ladyjacks 81-57 before a packed house in Ruston. SFA then bounced back with an 84-67 win over state rival, 11th-ranked Texas.

SFA posted a disappointing finish in the second Las Vegas Desert Classic, losing The University of California-Berkeley in the opening round.

# Off and Running

The Lumberjacks started off a successful season having a 12-9 season record in February with 5-4 for the conference at that time. Prospects looked good for the remainder of the season.

John Henry turned out to be one of the top rebounders in the conference and Gordy Connally, who was plagued with back problems early in the season, came on in January to become the team's ball handler and the thread that tied the team together.

# Ladies Fall to Techsters

The Ladyjacks lost a heartbreaker at home in a Feb. 12 rematch with No. 1 ranked Louisiana Tech.

The Ladies were in foul trouble within the first five minutes of the game. By the end of the game, Tammy Mayo and Rosalind Polk had fouled out. During the second half of the game, Louisiana Tech scored 27 points from the free throw line compared to 11 for the Ladyjacks.

The final score was SFA 61, Tech 79.

The Ladyjack volleyball team had a tough schedule to follow this season with seven new players. The Ladyjacks ended the season with a 19-17 record. Lisa Scoggins, Laurie Scott and Wende Waggoner were three of the six girls returning to play for SFA. The Ladyjacks are coached by Dianne Baker. The assistant coach is Sharon Davis. The longest winning streak for the Ladyjacks was seven games. The Ladyjacks toughest team to play was Sam Houston whom they played three times and lost all three games. The Ladyjacks came in second place in the Texas Wesleyan Tournament.

# Lumberjack Baseball

The 1980-81 Lumberjack baseball team started its spring season off by playing Jarvis Christian College on February 21. The team played 12 games at home with nine games away during the season. The last home game was against Sam Houston. All home games were played at Nacogdoches' Baseball Complex on the West Loop. All games were doubleheaders.

Keith Neil and Tilden Baack were two of the returning team members. The baseball team is coached by Darwin Crawford and the trainer was Doug Villie.

# SFA Baseball Babes

The SFA Baseball Babes is a new organization formed to support the Lumberjack baseball team. The group, comprised of 15 girls, encourages student interest in the baseball program, publicizes games and promotes spirit for the team. Officers for the club are Cindy Jolly, president; Debbie Barosh, vice president; Terry Phillips, treasurer; Teresa Lessmann, historian and coordinator; and Toni Cates, secretary. Dianne Baker entered her first year as head softball coach with nine returning letterwinners to form what she calls, "the best defensive team in the state." The Ladies had a 1980 spring record of 24-17 and a fall record of 11-11 going into the state tournament. The team finished the fall season at the tournament by defeating Texas Tech 5-4, but then losing to top seeded Texas A&M 4-0, and to third-seeded Sam Houston State 6-4.

The Ladyjack Softball looked at the spring schedule with optimism. After a falling 11-12 record in the 1978-80, the team was ready for a winning season.

The Ladyjacks are coached by Dianne Baker. Baker believes that their pitching staff is considerably stronger this season. To win a game, a team needs a consistent pitching staff. This season Stacy Smith and Renee Smith are two of the Ladyjacks pitchers. The Ladyjacks picked up three new players. They are freshmen Sue Hoffman (first base), Rhonda Ellis and sophomore Anne Myers. Ellis plays the shortstop position. During the '80-81 season the Ladyjacks will only have four home games. Baker said that the team will travel some this spring.

# Lumberjack Tennis

In the 1980 spring season, the Lumberjack team was third in the Lone Star Conference, with 36 points. SWT led the conference with 59 and tied for the runner-up spot in the NAIA tennis tournament in Kansas City, MO. East Texas State was second with 38 points. SFA's Gary Peppers was the number three singles player on the All-LSC team in 1980. Peppers and Tridib Goswami were runners-up in the LSC tournament doubles competition.

The 1980-81 tennis team was kept busy with a 20 match schedule including dual matches with A & M, U of H. SWT, and East Texas State.

"This is probably the best team we have had here. We have more depth than ever," according to Sissy Skinner, coach of the 1981 Ladyjack tennis team.

Although admitting to a lack of experience in singles, the doubles teams were reported to be awesome. During the fall 1980 season, Kathy Bovell and Rachel Howell won every match but one.

Howell is a transfer student from Tyler Junior College where she was part of the doubles team that placed fourth nationally. Other transfers strengthening the team were Wendy Gelhay from Florida where she had an impressive 37-1 record in her two years at Indian River Junior College, and Lisa Dayan from New York, who was ranked in the top 20 in the Eastern United States. Returning Ladyjacks are Bovell, part of the 1980 states champion doubles team, and Christie Baker who played the number three slot as a freshman.

With a young team, (eight freshmen) Coach Carolyn Barnett was quite certain that the 1981 Women's track team would be much improved over the 1980 team that finished seventh in the TAIAW Div. II track meet last spring.

Two field event competitors, Becky Harding and Paula Phillips, returned from last year, along with runner Fleashia Jones.

Barnett noted much more variety within the ranks of years' team, and cited the versatility of several members of the team who were expected to score in more than one event.

# Lumberjack Golf

In the spring of 1980, the Lumberjack golf team finished second in the Lone Star Conference and sixth in the NAIA tournament. This spring the team competed again in the Lone Star Conference meet as well as several dual matches including Texas A&M, Sam Houston State, UT-Arlington, Baylor, Lamar and Houston Baptist. Wynn Reichert was the sole returning letterman for the SFA team. The team is coached by Capt. Geoffrey Miller.

# SFA Rugby Club

The 40-member SFA Rugby team is a hard-working and aggressive organization. Despite their club status, the team strives to maintain a high degree of competitiveness with larger universities. The team placed third in the open division of the state tournament in Spring 1980 and hopes to regain the state title this year.

The Ruggers had a 1980 record of 6 wins and 2 losses and placed second in the Eastern Counties Tournament and fourth in the San Antonio 7's tourney. This season they competed in the Ozark Invitational, the Our Gang Tournament, the Houston Invitational, the Galveston Tournament, the Austin Tournament and the Texas Rugby Football Union playoffs.

SFA Ruggers . . . Scrum of the Earth

Two goals of SFA's Rugby team are to increase the popularity of rugby football and to develop its members into top-notch players. The team has succeeded in both areas with good attendance at home games and having eight SFA players named to the All Eastern Counties Rugby team. Those players are Jim Chesshir, Tony Davis, Jed Day, Pete DeSantis, Bob Fleet, Charles Floyd, Marty Martin and Ted Sonnier.

The team is sponsored by Rothrock Sales and Yakofritz's Sandwich Shoppe. Officers for the 80-81 season are Jed Day, president; Eric Morris, match secretary; Ted Sonnier, treasurer; and Rick Snelling and Pete DeSantis, player representatives.

# Racquetball Club

SFA's Racquetball club strives to promote both collegiate and intercollegiate competition and fellowship among racquetball players from novice to expert. The club sponsors technique clinics among members and started a challange ladder. The club has an annual spring tournament which draws players from Dallas, Houston and Beaumont. Members also travel to out of town tournaments.

THIRD ROW: Dr. Tom Callaway, sponsor; David Moore, Jeff Bibbs, Richard Wrench. FOURTH ROW: Craig Robbins, John St. Clair, Lee Bunteen, Tim Winker, Bill McDowell, treasurer.

# Weightlifting Club

The SFA Weightlifting Club seeks to promote better fitness for everyone by providing information and practice for weight training. Don McGraw is the president, Bert Gutierrez is the secretary and Dr. Worsham is the sponsor.

Bobby Chapmen, Dee Clements, Steve Thorsen, George Roark.

# Men's Soccer

This fall the SFA soccer team made it to the finals of the state championship only to lose to Texas Southern 3-2 in the double-overtime match.

SFA led the game until the last two minutes when a Lumberjack was taken out, leaving SFA short one player when TSU scored.

ABOVE: By jarring the soccer ball from an opponent, an SFA player attempts to regain possession.

# Swim Team

Members of SFA's swim team work out every day in preparation for meets with such teams as Rice and UT-Arlington. Team member Helen Standerfer was named Athlete of the Year by the Texas Association of Intercollegiate Athletics for Women, Division III. She was awarded this honor for her performance in the Texas State Women's Meet in March, 1979. At the meet, Standerfer placed in each of the seven events that she entered.

# Women's Soccer

The 1981 SFA Women's soccer team had "enough talent to choke a horse," according to coach Shawn Cox.

The 1980-81 squad was young with several new freshmen. Though lack of experience hurt the women this fall, they were quite optimistic about the spring season.

Two players, Carole Rylander and Cathy Moffat, have played on nationally ranked soccer teams before coming to SFA.

Anyone and everyone is encouraged to play intramural sports as they offer the students a chance to have fun, exercise and meet other participating players while competing for T-shirts, overall team points and sportsmanship awards.

# SFA Board of Regents

Standing, left to right; R.E. Samuel, Homer Bryce, Walter Todd, Glenn Justice. Steated, left to right; Mrs. George Cullun Jr., Mrs. Tom Wright, Ted Bowen.

Through slow and thoughtful deliberation, the governor of Texas chooses and appoints each member of the Board of Regents. Each board member serves a staggered term of six years. During each odd numbered year, three members are appointed or reappointed.

Each member is carefully selected by the governor and approved by the senate. Only those who are worthy of the position are even considered to serve as a board member.

The board members, who serve without pay, are required by state law to hold an annual April meeting. But the SFA Board of Regents meets quarterly, in the months of July, October, January and April. Their responsibilities are varied, yet their main objective is to make sure the school is run efficiently. Enforcing the rules and regulations, selecting the president of the university, and in general, upholding the schools' reputation as fine educational institution, are only a few of the stipulated responsibilities of the Board of Regents here at SFA.

# President W.R. Johnson

Not many people have stopped to consider the importance of a university president, or the responsibilities which are inherent in this position. As Stephen F. Austin State University president, Dr. William R. Johnson cannot consider his position a 9 to 5 job.

Responsibilities of the president are numerous, ranging from overseeing the vice presidents to dealing with external constituents and the legislature. As the university's head administrator, Dr. Johnson is required to devote a great deal of time to uphold the reputation of the school, the faculty and the students. Besides being responsible for all facets of university policies, Dr. Johnson is also in charge of long- and short-term planning for the university. Although the position of SFA president is a time consuming job, Dr. Johnson considers his profession to be a worthwhile career.

Before coming to SFA in 1976, Dr. Johnson was vice president and dean for academic affairs at Texas Tech University in Lubbock. Graduating from the University of Houston with a BA and a master's degree, he then pursued a Ph.D. from Oklahoma University.

It takes several people to run a state university smoothly. Yet behind all the faculty, administrative staff, it takes an assertive, responsible individual. Stephen F. Austins' leading man is its president, Dr. William R. Johnson.

# Vice Presidents

Behind the scenes at Stephen F. Austin are the university vice presidents. They are responsible for coordinating school policies ranging from administrative areas to extracurricular activities.

Dr. Janelle Ashley, associate vice president for academic affairs and a professor of management, is concerned mainly with matters of curriculum such as class schedules and inventories, revisions, development and deletion of classes.

Working with faculty and students, Dr. Bill Franklin, vice president for academic affairs, administrates and constructs policies for the academic areas of the administration.

Dr. Bill Franklin, Vice President for Academic Affairs

Focusing his attentions on the financial affairs of SFA, Charles G. Haas, vice president for fiscal affairs, is concerned with tuition rates, room and board, fees and other fiscal factors.

Vice president of student affairs, Dr. Baker Pattillo, also serves as administrator of SFA's extracurricular activities. Dr. Pattillo focuses his attentions on developing services for students. He also helps them solve problems that they have in administrative areas.

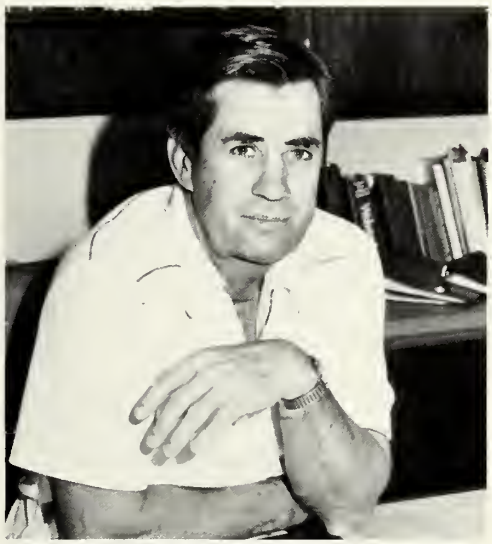
Charles G. Haas, Vice President for Fiscal Affairs

# Student Services

Van P. Samford, Director of Placement

Student Services is in charge of the offices of Financial Aid, Housing Placement and University Police Department. The administrators of Student Services are qualified to handle disputes between the students and the administration.

Student Services personnel are also responsible for such matters as parking violations or off-campus housing. Students with problems in these areas are urged to seek help from the Student Services Office.



Pete Smith, Director of Housing

Jamie Fain, Associate Director of Housing

# Student Development

Dr. Bill Porter, Dean of Student Development

The Office of Student Development handles many areas of student affairs such as extracurricular activities, disciplinary action, selection and training of resident advisers and the development of new campus organizations. Administrators are available at all times to assist students with problems in these areas.

# Guidance and Counseling

Ralph Busby, Counselor

Coping with the many facets of student life can be difficult. For that reason, SFA has provided five trained counselors. These counselors are available to advise students on matters regarding advanced placement, selection of a major or improvement of study habits. Covering a variety of areas, the counselors provide students with group and individual sessions.
